

The Strength of a Bank

ESTABLISHED in 1817 with modest capital, the Bank of Montreal for over a hundred years has followed a conservative, aggressive policy, until today it has assets in excess of FIVE HUNDRED MILLION DOLLARS

LIKE Canada herself, Bank of Montreal has grown stronger with the service it has rendered and the obstacles it has overcome.

TODAY the Bank is stronger than ever, prepared to render ever-increasing service to the people and the business concerns of the Dominion.

With Branches in every important centre of every Province and with direct banking connections throughout the world, we are fit for the task of helping Canadian business to grow to full stature.

A steadily increasing number of business men, enterprises, workers and householders, ambitious young people—thrifty Canadians of every sort, everywhere—are getting the benefit of the strength and intimate service of this financial institution.

Our nearest Branch Manager is the best point of contact with our organization.

BRITISH COLUMBIA COAL PRODUCTION

Telkwa Output for Five Months Was 1,279 Tons.

Coal production in British Columbia for the period from January 1 to May 31 is running practically the same in quantity as for the similar period in 1919, according to returns made by the various coal producing concerns of the Provincial Department of Mines. The total production for the five months on Vancouver Island aggregated 709,408 tons, as follows:—

Canadian Western Fuel Co.	279,857
Canadian Collieries (Dunsmuir) Ltd.	88,429
Comox	167,182
South Wellington	35,309
Extension	88,429
Pacific Coast Coal Co.	43,884
Nanaimo Collieries	11,983
Granby Company	82,923
Van-Nanaimo Co. (Jungle Pot)	1,141
Mainland returns are incomplete in that some of the producing companies having not as yet sent in their May figures. The totals, aggregating 360,753 tons, so far reported for the five months, are as follows:—	
Princeton	7,378
Coalmont Coal Co.	701
Middleboro Collieries	36,273
Corbin Coal Co.	49,071
Stelmig Coal Co.	15,848
Crow's Nest Pass Coal Co.	250,203
Telkwa Collieries	1,279

"May returns are missing. With the May figures complete for the Mainland producers the aggregate production for the five months for the province would be approximately 1,250,000 tons.

D. W. GRIFFITH'S PLAY "SCARLET DAYS" HERE

D. W. Griffiths in his story of the West, "Scarlet Days," aims to reconstruct conditions as they were in the gold days.

For the central figure in his story this great producer chose a man known to every Californian in the least concerned about the early history of that State, Joaquin Murietta, the Robin Hood of the Pacific Coast, a wild-mannered Mexican bandit king who robbed the rich and gave his loot to the poor and was a chivalrous knight toward the aged and women, though a terror to every border sheriff. Rosy Nell, the "scarlet" dance-hall girl; her innocent, Eastern-educated daughter; Chiquita, the bandit's black-eyed sweetheart; Randolph, the aristocrat from Virginia; King Bagley, the dance-hall bully, and the Sheriff—all these characters live in "Scarlet Days" and enact again the romantic pages of early California history before your eyes.

"Scarlet Days" will be shown at the Westholme tonight.

Miss Phyllis Sloan underwent an operation on Saturday at the General Hospital when skin was grafted from her father's arm to hers, which was burnt last October.

DAVIES Lunch Tongue

CAN you imagine a more delightful treat for lunch than tender, juicy pork tongues cooked in the Davies way? They really are as dainty a dish as it is possible for a thoughtful housewife to serve.

You will appreciate them when you see how appetizing they look—cooked perfectly and sealed in parchment-lined tins to keep them good. They are irresistible. Your grocer will tell you about Davies Lunch Tongue, and the other—

Beefsteak and Onions
Devilled Meats
Corned Beef Hash
Pork and Beans
Tomato Soup
Roast Beef
Ox Tongue
Cambridge Sausage

—as well as sixteen other dishes—all simply delicious. They are made in Canada by Canadians, and government inspected.
