Last night at the meeting of the City Council, Ald. McLennan sought to introduce a by-law regulating the retailing of beverages made from malt or hops. It was resolved to go into committee as a whole at the next regular meeting, to consider the matter.

A letter was read at last evening's meeting of the City Council from the Seal Cove Marine Ways in regard to the planks which had been offered by the city to lay a two-plank walk to the establishment at Shawallans Passage. Mr. Perry did not like the tone of the letter and thought that in future such benefices might be given to the people who might appreciate the gift more.

Sport Briefs

At three o'clock Saturday afternoon the Princess Alice docked at the government wharf. About half past three Harry Day was at the grounds receiving many complimentary greetings from his friends. As soon as the excitement of his arrival had died down Ed. Craggs came up for an official interview. Harry Day is signed on with the Trail Club football team.

Tomorrow evening the second fixture of the Dominion Day cup tie football finals will be played at the Acropolis Hill grounds between the Trail Club and the Grand Trunks. Although the latter team is leading in the league yet their opponents hope to give them a good rush for their money. The Trail boys have strengthened their defense line with the addition of one or two new players. The betting is now about even.

This evening the Tiny Tims and the Junior Giants meet for one of the Junior league baseball games. Up to the last game the juvenile big leaguers were leading but were walloped last Friday by the same aggregation as will meet them tonight.

At last evening's baseball game George Shaw seemed to come in for a lot of hard knocks with the bat. He was hit twice while at bat by Parker and once by Fowler. On another occasion he was hit by a thrown ball while going to first. The most sensational one of all, however, was the bean ball which hit him on top of the head and bounced off over the top of the grandstand.

When Eddy Smith came to bat for the Colts last evening the Sawmill supporters set up a loud outcry but it was all of no avail. The Colts had nabbed him, and that was all there was to it. Eddy made a very good showing in the field in last night's game which was the first league game that he has held a place on any of the contending teams. His batting was well up.

If the baseball game had not been decided the way it was last night there would have been no blame to be laid upon the girl rooters. Their new and brilliant rhymes caught the attention of all and held the peace of their opponents. When they started to count up the score they made it snappy for the Colts' 13 and drawled out with a feeble sigh the wee 2 for the Sawmill.

There has been some rumor among the big heads in the intermediate baseball game that certain of the teams have been thinking of getting the services of men who are now considered eligible for the senior team. After having played two games in the senior league they cannot revert to the intermediate status.

The G. T. P. lineup for their game tomorrow evening against the Trail Club will be picked from the following: Waldorf, Fanthorpe, Lawson, O'Donnell, Bennett, Main, E. Smith, Ed. Ross, Jackson, F. Roberts, Fanthorpe, Craggs, Harding and Foote.
