Gifts to Women Who Use Jiffy Jell

Jiffy-Jell users should write to the makers for a list of aluminum molds. Molds, spoons and measuring cups are supplied to users free.

Jiffy-Jell is the one dessert which has the fruit flavors in vials. A bottle of condensed fruit-juice essence comes in the package. So a Jiffy-Jell dessert is a real-fruit dainty. The flavor is not artificial. The sweetening is sugar, not saccharine. Women who once try it will always get it. Your grocer has ten flavors. Try pineapple and loganberry first.

BUILD BRIDGE BUYING BONDS

Mayor Says no Finances on Hand at Present for New Structure.

"No, Alderman Murray, the Section 2 bridge cannot go ahead until the finances for the undertaking are forthcoming." Such was the substance of the mayor's reply when a few minutes before the adjournment of last night's city council Ald. Murray asked the question, "What about the Section 2 bridge and the Smith Island rock?" When he further asked where the plans now rested, Ald. Kerr replied that they were in the hands of the city engineers and he hoped that he understood what that meant.

Mayor McClymont went on to explain the condition of finances today and how the water, light and telephone work had been carried along since 1917. Now a time had been reached when it was almost impossible to carry on by the old plan. Until the money was in sight, he would not sanction any start being made.

Mr. Murray was not to be quelled, however, and continued by asking if it was not right that when the matter was considered before that it was cited that a number of the Prince Rupert citizens would be willing to buy bonds for the support of the measure. The other aldermen shook their heads negatively. Now came Ald. Kerr's turn who took great pleasure in telling Mr. Murray of the advertisements running in the local papers and how his friends on the street might now avail themselves of the opportunity of helping the city along. Mr. Murray wished to be assured if such monies would build the Section 2 bridge. Ald. Kerr replied that it would build anything. The meeting then adjourned.

Nothing was said of the Smith Island rock situation.
