

A NEW CUSTOM!

The old idea of locking the "family silver" away in cupboards and boxes is giving way to a much better one—using it regularly.

Why shouldn't it be used—like the linen and fine china? Silverware is made to use as well as to admire, and sensible people are now finding a great deal of pleasure in using both.

Use your silverware! Its durability will surprise you, and it will reveal new beauties to you daily.

FIRST READING OF SHIPBUILDING BILL

Passed by House of Commons in Spite of Determined Opposition.

OTTAWA, June 24.—Despite determined opposition from the Progressive Party, the Dominion Government motion adopting the Shipbuilding Guarantees Bill, on its first reading was passed by the House of Commons.

The Man in the Moon SAYS—

THAT the reason there are so few June brides in Prince Rupert is because orange blossoms are scarce.

THAT motor boat enthusiasts are wondering if the weather or the Imperial Oil Company has been the worst damper on their enjoyment the last few days.

THAT judging by the advertisements and the shop windows there are nothing but \$45 suits and \$8.95 shoes on sale these days.

THAT I have noticed there is no luxury tax in the south seas. The people there don't have to wear expensive clothes any more than they do here.

THAT every day is a picnic, but not when there is excessive humidity.

THAT Arthur, son of the Duke of Connaught, has a job. He is to do the society stunt in South Africa.

THAT we shall be wanting someone here for a similar purpose, but thank heaven Arthur is already placed.

THAT what about a commoner for a change? We are all commoners in Canada and a Commoner from the Old Country would be in keeping with the trend of democracy.

THAT the tax rate in Winnipeg is to be something over 22 mills for eight months only. Yet we say here our taxes are high.

THAT the league of nations is to be an issue in the coming campaign in the United States.

THAT while the people there seem to take the matter very seriously, nobody else cares whether they join the league or not.

THAT President Wilson is reported to have made a remark about political scoundrelery. Thank you, Mr. Wilson. I will look up scoundrelery in the dictionary when I have time.

THAT the Senate is said to have passed nine divorce bills in twenty minutes. The old men wake up sometimes, especially if there is a scandal around.

THAT there is an election in Manitoba and a plethora of candidates. Why not put a luxury tax on running for office of any kind. How short sighted the minister of finance is.

THAT the local police have to be very watchful for a few days. The place is teeming with members of the legal fraternity.

THAT a prisoner who was to have been tried here is still enjoying himself at Okalla.

THAT in this damp weather it would have been very trying to the constitution to have brought him north.

THAT many a woman says her husband is a "true Bill" but she does not know any better than the grand jury.

THAT considering the amount of work they do, is it not time the grand jury was placed among the archives along with the obsolete Canadian Senate.

THAT I am wondering if the sheriff has provided a clean book for the prisoners to kiss.

THAT it would be interesting to speculate on the number of millions of syphilitic microbes clinging to the pages of the old one.

THAT if there are any convictions registered at the present assizes it should be against the book that endangers the lives of innocent witnesses.

TINY TIMS BEAT THE JUNIOR GIANTS

At the Market Place last evening there was another battle royal between the Tiny Tims and the Junior Giants of the Junior Baseball League with the former carrying off the game by the score of 6 to 3. The Junior Giants were leading right to the seventh when the score stood 3 to 1 in their favor. However, the Tims tore away in the last half of the seventh and added three more to their single score. They held their rivals down and then increased their lead by two in the last of the eighth.

A nice double play was staged by Mike Budenich and Tiny Frizzell. The sluggers for the Junior Giants were Gordon Johnson and Alex Mitchell, whilst the heavy hitters for the Tims were W. Budenich, W. Mitchell and P. Black.

Elmer Smith and R. Scherk officiated as umpires.

The teams were as follows:
Tiny Tims—P. Black, W. Mitchell, Lee Gordon, Tiny Frizzell, C. Clapp, M. Budenich, J. Kelly, H. Hibbard, and G. Bulger.

Junior Giants—R. Scherk, G. Johnson, A. Mitchell, A. Slocomb, Bertie Cox, Paul Johnson, Sam Joy, Alf Shockley and W. Cavalier.

RAILROADERS AT FOOTBALL

Carry Away Trail Club, Beating Them by Score of 4 to 2 in Keen Game.

In the football game last evening between the Grand Trunks and the Trail Club, the railroaders took things their own way and beat the "Reds" to the score of 4 to 2. The score is really no indication of the game except that the team which deserved to win has the highest number of goals to its credit. Both goalies were battling hard all the time but to Jack Judge came the honor of making some sensational saves for the Trail boys.

The game started off with both teams eager to get the lead and the first point went to the Trail Club when Sid Hardy scored from a penalty. Instead of getting down-hearted by this reverse the G. T. P. boys sailed right in and from a beautiful shot from Fanthorpe tied the score. Now both teams were going strong for the next net and the Railroaders playing down hill were pressing heavily. Finally the ball returned to the other end of the field and by an unlucky touch from Danny Main's knee the leather rolled unchecked between the sticks. At half time the score stood 2 to 1 in favor of the Trail.

Aggressive Game.
At the resumption of play the Grand Trunk supporters were eager to see their heroes score right away and they did not have to wait long as Jimmy Jackson carried the ball through and landed it. In spite of the up-hill grade the Trunks played an aggressive game and the Trails were still pressing eagerly to get that coveted goal to decide the issue. Fanthorpe who had come up from the defence carried the ball away from a nice pass by his brother on the outside left. The Trail boys were still confident and were pressing hard and played a one-man back game with almost all their team over the half-line but then the clean foot work of Sid Hardy and the outside right were of no avail against the stone wall defence of the Grand Trunk back line. About fifteen minutes before the end of play Jimmy Jackson again carried the ball through and made the total score 4 to 2.

McCullough was referee, with Clapperton and Slocomb as line-men.

The line-up was as follows:
Trail—J. Judge; Harry Day and Vic Menzie; Malcolm Lamb, H. Lumsden and Lewis; P. Conlin, S. Hardy, W. Brown, J. Johnson and Ed. Craggs.
Grand Trunk—Waldorf; Lawson and Fanthorpe; Main, Ross and O'Donnell; Ed. Smith, Roberts, Jackson, Craggs and Fanthorpe.
