REMEDIES USED BY OUR FOREFATHERS

In earlier days, when physicians were not as numerous as today and medicines were not easily procurable, ailments and disease were generally treated at home. The great standby in such treatment was herbs. The work done in such cases was wonderful, as many British Columbia pioneers still living will testify.

In Wonder Health Restorer, a preparation now offered the residents of Prince Rupert at the Prince Rupert Drug Co., will be found a scientific herbal remedy which has done unequalled work in the treatment of disease.

An illustration is given by the case of Lieut. Ritchie of the 59th Battalion, C.E.F. Contracting rheumatism in the trenches, this officer was returned home a cripple after being treated in 14 military hospitals. At Calgary he started taking Wonder Health Restorer and last fall he was able to do a good day's work on the farm.

Wonder Health Restorer acts on the blood and through the blood flow its medicinal properties are carried to every organ of the body. For this reason it does the same work as it did for Lieut. Ritchie's rheumatism in cases of Asthma, Stomach trouble, Kidney complaints, Nervous disorders, Skin diseases, Piles, Female troubles, etc.

Ask your druggist for a copy of "The Road to Health," a booklet which gives the written testimony of persons who have found in Wonder Health Restorer relief for each of the above ailments. The record of the remedy is one which would be unbelievable were it not supported by the thousands of letters of which these are examples.

Wonder Health Restorer is handled in Prince Rupert by the Prince Rupert Drug Co. where both the remedy and descriptive booklet may be secured. Sufferers from disease are strongly advised to investigate this remedy.

There may be something you want. See the classified column
