BEAR RIVER Repairs Being Made to Enable

RAILWAY UP

Supplies to be Taken in.

Work is proceeding with the repairs to the railway up the Bear River by the Algunican Syndicate to enable that concern to take in supplies for the work it is doing on the Fitzgerald property at Goose Creek and the George Bros. claims which they have bonded. A gas engine will be used to carry freight up the valley. The properties are about twelve miles from Stewart.

W. A. Maloche is in charge the work up the valley. His pri cipal, Mr. Vanophen, with Mr. Vanophen recently visited all the properties both up the Bear and Salmon rivers and arrived here on Sunday and is gone north on the C. P. R. boat. They have the Spider property 19 miles from Stewart and the Northern Light close to the Premier.

Two Reconnaisance Parties to Cover Country Between Unuk and Salmon Rivers.

Two reconnaisance parties are being sent out by the Provincial Department of Mines this year under the supervision of George Clothier, district mining engineer, for the purpose of exploring the country between the Unuk River and Stewart.
