INCREASED RATES FOR ADVERTISING

The continuous increase in the costs of production, both in wages and material, has made it necessary for the advertising rates charged by the Daily News to be revised, and the new rates will take effect after this issue. From now on, transient display advertising will cost \$1.25 per inch per insertion, and if required on the front page, \$2.00 per inch. Reading notices will be charged at 25c per line per insertion and classified advertisements 2c per word. The rates on the other particular classes of advertising are shown on the new rate card, which may be had upon application.

BRITISH SHIPS SHELL TURKS

Kill Thousands in Asia Minor—Greeks Take Four Towns.

LONDON, June 27.—British warships have been shelling the Turk at Smyrna, Asia Minor, killing a thousand of the enemy. The Greeks later took four towns in the Smyrna district. In the Crimea General Wrangel captured 10,000 Bolsheviks.

LESS THAN 2,000 REGISTER IN THIS ELECTORAL DISTRICT

Only 1747 people in this district so far have registered. There may be other names taken but not yet turned into the government agent. It is unlikely, however, that more than 2,000 have taken the trouble to register out of five or six thousand that should be on the list.

There is now only two weeks left in which to qualify as a voter.

In this district there are no less than 66 polling divisions and the names from each division are kept separate.

For Prince Rupert there are scarcely 1,400 registered, so there should be another 2,000 put on the roll during the next two weeks. It will be rather a serious matter if several hundred people find themselves unable to vote when election day comes.

REDUCTION PLANT NEAR KETCHIKAN

KETCHIKAN, June 29.—The Marine Products Company is installing a fish offal reduction plant at Seow Bay where they have leased the old mill site of the Arness Lumber company. Machinery will be shipped up from the States and installed as soon as possible.

Two other additional sites have been approved by company officials and will be erected as soon as arrangements can be made with canneries in the vicinity of the sites.

PAIN IN SPINE, SAYS ALDERMAN

C. C. Perry Beards the Mayor and Aldermen at Meeting Last Night But is Voted Down.

SAYS BAR-ROOM BYLAW IS SIMPLY BUNCOMBE

"When I first read this by-law it gave me a pain in the spine," declared Alderman Perry at the City Council meeting after the Council had spent an hour and a half considering the details of the Beverages by-law.

The bylaw was reported back after being considered in committee of the whole, when Alderman Perry rose and asked Alderman McLennan what was the purpose of the by-law. Was it to enable them to control the women who went there or to place a corner on the business?

Alderman McLennan said that it was to put the places where beverages were sold in a position where they could be controlled. Alderman Perry then said that when he first read the bylaw it had given him a pain in the spine.

Alderman Dybbahn expostulated that an hour and a half had been spent in considering the details of the by-law and Alderman Perry should have criticized it then. Instead of that he had taken no part in the discussion.

The mayor upheld Alderman Dybbahn, ruling Alderman Perry out of order.

An appeal was taken to the council, all the members voting to sustain the action of the mayor.

The motion to read the bylaw a third time was carried, all voting for it except Alderman Perry.

Sport Briefs

The Game Conservation Committee for B. C. will hold its annual meeting in Victoria on July 21. Dr. A. H. Baker of Vancouver will be in the chair for the occasion.

In the friendly football game last evening between the Callies and the Trail Club, the former brought home the bacon in the score of 3 to 2.

George Farr won the fifteen-mile Marathon race at Vancouver on Saturday, his time being one hour, thirty-five minutes and five seconds.

The senior baseball players were on the hill for a little practice last evening. Batting and chucking them around was about all they could do as the footballers were on the field for the night.

The next thing that a number of people are wanting to know is what are the Beavers going to do without Miss Mills on the bench as goodly counsel for their game on Thursday evening.
