RUMORS REGARDING WHITE STAR LINER

GERMANS ARE HEADING FOR WARSAW -- ZEPPELIN DESTROYED BY ACCIDENT

KETCHIKAN WON BOTH BALL GAMES

Ketchikan won both ball games yesterday. In the first game the home team stood 1 to 0 until the seventh inning, when the visitors scored 5 runs, including a home-run by Wally. The local boys then got busy and notched 4 in the second of the seventh, making the score 6 to 4. In the eighth, Ketchikan picked up two more and added another in the ninth, winning by 9 runs to 4.

The afternoon game was just as good as the memorable one of last year, when the Prince Rupert got home by one run to nil, but on this occasion the score was reversed, Ketchikan winning by one run to nothing, the game being won in the last inning.

Frombach, formerly of Tacoma pitched great ball with Wally behind the bat, but they had nothing on Ben Hunt and G. Rock, the Rupert battery.

The most pleasing feature of the game was the work of Wallace Anderson, the loyal school boy, at second. Combined with great speed and accuracy, the youngster displayed the judgment of a veteran, never making an error. Prince Rupert has reason to be proud of this young player, as he was raised right here and has never seen baseball played anywhere else.

The following are the details of both games:

First Game.

Score by innings.	1	2	3	4	5	6	7	8	9
Prince Rupert	0	0	0	0	0	0	4	0	0
Ketchikan	0	0	1	0	0	5	2	1	

Summary.

Struck out: by Rock, 9; by Erickson, 3; base on balls: off Rock, 1; off Erickson, 1. Hit by pitcher: Ireland, Hatchford, and Tobey. Left on bases: Prince Rupert, 7; Ketchikan, 6. 2-base hits: G. Rock, 2; Embleton, Brooks, Mahoney. Home run, Wally. Double play: Rock to Anderson to

Observers report that in this advance the Germans have almost entirely abandoned their former rule of advance in close formation. In this picture the broken or open formation is illustrated. In the distance Russian shells can be seen exploding.

ACTING PREMIER WIRES REGARDING MECHANICS

Wm. Manson, M. P. P., received the following wire from the acting premier this forenoon:

Victoria, July 2, 1915.

Wm. Manson, M. P. P., Prince Rupert, B. C.,

Have seen commissioners this morning. Say it is impossible for them to give time to go to Prince Rupert. They have no funds with which to pay transportation, but if applicants fill out forms and forward them to city clerk, Vancouver, they will go over same. Any person they ask to come down will very likely be accepted. These men will have to pay their own transportation down, and, if accepted, commission will refund them their fares.

W. J. BOWSER, Acting Premier.
