## Bowels Almost Paralyzed "Fruit-a-tives" Relieved

St. BONIFACE DE SHAWINIGAN, P.Q. February 3rd, 1914.

"After suffering with terrible Constipation for over 2 years, 'Fruit-a-tives' relieved me. While a student at Berthier College, I became very ill and was forced to leave. Severe pains across the abdomen continually tortured me and my digestion became paralyzed. Some one advised me to take 'Fruit-a-tives' and at once I felt a great improvement. After taking four or five boxes, I was completely relieved and have never had any return of this trouble." MAGLOIRE PAQUIN.

50c. a box, 6 for \$2.50, trial size 25c. At dealers or Fruit-a-tives Limited, Ottawa.

**THE GREAT RECRUITING CAMPAIGN IN ENGLAND**—Whether conscription ought to replace voluntary enlistment is still the subject of controversy. Those in favor of the voluntary system are still largely in the majority, though realizing that the system is still on trial. The picture shows one of the meetings taken to promote recruiting. Monster parades keep before the eyes of young men the fact that their King and Country need them. The battalion shown is marching from the Mansion House, London, to the headquarters of the H. A. C.
