Don't Send Money in a Letter

WHEN you send subscriptions to magazines, or order goods out of town, or pay small accounts at a distance, do not place the actual cash in the envelope. Thousands of dollars are lost every year through fire, robbery or misdirection. Use the Bank Money Orders, issued by this bank. They are payable in Canada and the United States in any sum up to fifty dollars.

Their protection is well worth their small cost.

QUESTION REGARDING DIGBY WATER SCHEME

A letter, signed by W. H. Montgomery and George W. Kerr, was read at the council meeting last night, asking what steps had been taken to get work started on the Digby water scheme. These gentlemen pointed out the advantage of having the work proceeded with, and suggested that the correspondence which had passed between the city and the government, through Mr. Hull, should be submitted to the council.

On the mayor stating that the letter would be referred to the board of works committee, Ald. Montgomery objected to the procedure. The mayor ruled him out of order, but Ald. Montgomery protested and held the floor.

Ald. Casey asked what authority the mayor had to dismiss such a question in this fashion.

The mayor said that the council had previously left the matter in the hands of the board of works committee, and that, so far as they were concerned, the matter stood just as before.

Ald. Dybhavn, seconded by Ald. Edge, moved that the ruling of the chair be sustained.

Ald. Casey said he did not approve of having business of such importance in the hands of one committee and that the council should be informed as to what is being done in the matter.

The mayor said he had seen Mr. Hull today and there was no new development to report, and that the board of works still stood for the original proposal of the council that the work be done by day labor at an estimated cost of \$26,000.

Ald. Kerr said he did not condemn the board of works, but simply wanted to know what is being done. Ald. Montgomery said he understood that the city proposal had been turned down by the government, and that this communication had not been read to the council. He asked the city clerk if a letter to that effect had been received.

The mayor replied that he received a letter, addressed to him personally, and that he had laid that letter before the board, who had again taken the matter up with the government.

Ald. Dybhavn said he thought the whole discussion out of order as the matter had been left entirely to the board of works. The ruling of the chair was sustained.

- FACT HUNGER -

As children, our first demand is for nourishment; our second for facts.

All through life we go about searching for information.

We make a new acquaintance; but before we will accept him as a friend or invite him to our home we ask for facts about him.

We visit a foreign land; and from the moment we step across its border we are asking questions—searching for facts.

We are asked to try a new food product; isn't it instinctive with us to ask at once:

"Who makes this new article?"

"How is it made? what goes into it?"

"Is it worth the price charged for it?"

Facts—we are simply hungry for them.

Strange, isn't it, that we should so often have to search for them? Odd, that some manufacturers still withhold the facts about their product. Not always because they are facts to be ashamed of—for there are many worthy articles yet unadvertised.

But it will not be so much longer. The fact-hunger of the human race is becoming keener and keener. The more facts we get, the keener our relish for more of them.

Soon it will be impossible to sell a man or a woman anything until everything has been told about the goods that can be told through Advertising.

The public has discovered that Advertising tells much-needed facts—that, in fact, Advertising satisfies fact-hunger.

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper.

If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lumsden Building, Toronto.
