I am now well and attend my store every day."

Make Monday Ironing Day

LET Sunlight Soap do your washing Monday morning and you can do the light ironing Monday afternoon. The rub, rub, rub at the board has no place in the Sunlight way—so with the hardest part of washing cut out you'll feel like making it a good day's work by doing at least part of the ironing.

Follow the directions that cut your work in half and remember there's nothing in Sunlight to injure fine fabric or dainty hand. A \$5,000 guarantee backs this statement.
