SPLENDID SHOW AT WESTHOLME THEATRE

The Westholme Theatre was crowded last night to hear Madame Loeser, the grand opera prima donna. At both shows, Madame Loeser was heartily recalled for her splendid rendering of "For All Eternity," and responded with a spirited patriotic song entitled "On to Victory." Prince Rupert is not often favored with such singing, and the large audience thoroughly enjoyed it. Tonight Madame Loeser will again appear at both shows and will give a few more selections from her widely varied repertoire. In addition to the splendid singing, the pictures were very fine. "The Last Appeal" is thrilling, while "The Empty Sleeve" is a beautiful one-act drama. "The Rival Undertakers" and "The Professor's Painless Cure" created no end of merriment.

On Wednesday and Thursday the Westholme will present Mary Pickford in "Hearts Adrift."

Charles Cullin and Mrs. Cullin returned from the interior last night.

Frank E. Cullin left for Telegraph Creek yesterday, sailing on the Princess Alice for Wrangel.

FIRST COPPER SHIPMENT FOR NEW YORK

The Prince George arrived from Granby with 100 tons of blister copper for New York. The transshipping of the metal from boat to rail delayed the George nearly three hours this morning. This is the first consignment of copper to be shipped to New York via Prince Rupert and the G. T. P. In the past the metal has been forwarded via Seattle. The copper is in bricks of 225 lbs. each. Shipments will pass through regularly in the future.

In our editorial columns we publish an article dealing with Seattle metal receipts, in order to show what Prince Rupert may look for some day. This copper shipment is the first step.

GREAT BASEBALL FOR WEDNESDAY NIGHT

All baseball fans are looking forward with much interest to the match between the Colts and the C. C.'s at Recreation Park on Wednesday night. The C. C.'s have a strong team together now and are playing in the form that they ended the season last year. The Colts, on the other hand, are still playing gilt-edged ball and intend to stay at the head of the city league. On Monday night, Manager McAleenan, of the Colts, worked out several new men, changing his team around, strengthening the weak spots and making the strong positions stronger, so that on Wednesday night he will have a formidable aggregation of ball tossers to dispute the game with the C. C.'s.

Considerable enthusiasm is being shown in preparing for this game and it is rumored that not a little money will change hands as the outcome. The rooters will be there with their full strength to cheer for their own team.

FOOTBALL

The Regiment and the Sons of England meet in a league game at Recreation Park tonight. The Regiment lineup is: Youngman; Cunningham and Macdonald; Hazell, Fenton and Porter; Ofwald, Dixon, Long, Gardner and Berwick.

NEIL McLEOD PASSED AWAY LAST NIGHT

The death of Neil J. McLeod occurred last evening at his home, after a prolonged illness. He was 51 years of age, and had resided in Prince Rupert for the past four years. He came to Prince Rupert from Seattle, but had originally come from Sydney, N. S., where his mother and brothers reside.

He was a contractor, and after coming here followed that line of business. Among his contracts, was one opposite the present G. T. P. station, where the new depot of the company is expected to be located.

For over a year, however, he has not been able to follow his business, owing to his illness. At times he would recover sufficiently to be about for a few weeks, but his strength has been steadily declining.

Mr. McLeod was held in the highest esteem by a wide circle of friends, and was a prominent member of the Baptist Church.

He was a member of the Masonic Order, and the funeral will be under the charge of Tyee Lodge. The body will be taken of Seattle. The deceased is survived by his widow and a family of four daughters, Mrs. A. B. McDonald, who resides on Third Ave. and Misses Lillian, Laura and Gretta.

Follow the crowd to Self's Cafe. There is a reason. Next Majestic Theatre. 102tf.
