

## A LIFETIME OF SICKNESS

Worn Out, Thin and Miserable Until She Took "Fruit-a-tives"

PALMISTON, June 20th, 1914.  
"Stomach Trouble and Distressing Headaches nearly drove me wild. Some time ago, I got a box of "Fruit-a-tives," your famous fruit medicine, and they completely relieved me. To-day I am feeling fine and a physician, meeting me on the street, asked the reason for my improved appearance. I said, "I am taking Fruit-a-tives." He said, "If Fruit-a-tives make you look so well, go ahead and take them. They are doing more for you than I can."

### HOSPITAL IS STILL SHORT OF FUNDS

At the close of the council meeting Monday night the mayor intimated that the city had been obliged to pay the \$4,000 hospital note due that day. He stated that the hospital board had hoped to be able to pay part of it, but found it impossible to do so. He also reported that a further \$6000 would be required, and suggested that the council come to some decision in the matter.

Ald. Maitland asked that the

hospital board furnish a report as he thought the council ought must be something radically wrong and great necessity for retrenchment.

Ald. Nicoll said that he believed a fully detailed report would be furnished for next meeting.

Ald. Edge said that he could not see how the thing could go on. He pointed out that the hospital this year had required one-twentieth part of the city's revenue, and that some retrenchment was necessary.

The matter dropped, pending a report from the board.

### Make Monday Ironing Day

LET Sunlight Soap do your washing Monday morning and you can do the light ironing Monday afternoon.

The rub, rub, rub at the board has no place in the Sunlight way—so with the hardest part of washing cut out you'll feel like making it a good day's work by doing at least part of the ironing.

Follow the directions that cut your work in half and remember there's nothing in Sunlight to injure fine fabric or dainty hand. A \$5,000 guarantee backs this statement.
