RUSSIA BUYING TEA

The American demand for Indian and Ceylon teas increases yearly, and if one adds to this the many other contingencies brought about by the war, it can readily be understood why the cost of tea is increasing. Russia is taking enormous quantities and their buyers pay the very highest prices. The abnormal buying has forced quotations up 8c to 10c a pound higher than nine months ago.

There is no alum in Dr. Price's Cream Baking Powder. The names of its ingredients, printed on the label of every can, show it to be made from Cream of Tartar, which comes from grapes.

No alum baking powder or food containing alum is permitted to be sold in many countries. To avoid alum read the label and use only baking powder made from cream of tartar.
