FRANCE READY FOR WINTER CAMPAIGN

Paris, Aug. 3.—France is fully prepared for a winter campaign.

It is understood General Joffre is unwilling to force a decisive battle, on the ground that Germany must give way under long drawn-out pressure, and by such tactics he can save France many thousands of men. He is said to be an exponent of defeating Germany by attrition, no matter how long it takes. France and her allies being in a better position to play a waiting game than the central European powers.

The drydock is now ready for business. The steel work is finished, and all that remains to be done is a little painting and the straightening up of the yards.

In view of the recruiting which is in progress at present throughout the Province, it is apropos to answer a few of the questions which are considered by those who contemplate entering the Service. The following is a list of pertinent queries, together with the information which each elicits.

QUESTIONS ANSWERED.

1.—How long am I to serve? Until the end of the war and six months after if required.

2.—What pay shall I receive? Your pay as a private will be \$1.00 per day and 10 cents field allowance. Besides this you will be clothed, equipped and subsisted by the Government.

3.—What will my wife receive during my absence? Every month there will be paid her a separation allowance of \$20 (also part of your pay) and if this be not enough to comfortably maintain your family, the Canadian Patriotic Fund will further assist them.

4.—What will happen if I am wounded or sick? You will be cared for by the Government and your pay continued until you are discharged. If you are permanently disabled an allowance will be paid you, varying according to the extent of your injury or disability.

5.—What will be done for my wife and children if I die while on Active Service? The Government will provide an adequate pension, that will enable the family to live comfortably until the children are old enough to look after themselves. The widowed mother of a single man, if the son be her sole support, is treated in the same way as a wife.
