FARMING DEVELOPMENT IN RUPERT'S HINTERLAND

(Continued From Page One.)
have the effect of creating interest and business, would mean a larger return visit of Bulkley valley residents at fair time, and would be one of the first steps towards the co-operation one so often hears preached and then forgotten.

As to Prince Rupert's fair. The slogan in the interior these days is "meet you at the Fair." By that they mean Prince Rupert's fair in September. They are coming and coming strong. They believe in publicity, they have the goods to show you, and you may rest assured that whether you visit them on the 1st or no, they will see that you see what they at any rate can produce. It is up to Prince Rupert to show them that Prince Rupert is not lacking in co-operation for publicity, with its accompanying larger production markets, payrolls and business prosperity.

Rupert's future rests with the interior more than does the interior's future rest with Prince Rupert. They are producing from the soil. What is Prince Rupert doing?

The Sunlight way is so easy --just note. First you soap the garment; then roll it up to soak. After a while you rinse it thoroughly and the dirt drops out like magic.

Why scrub, and rub, and wear and tear the clothes when the gentle strength of Sunlight Soap will do the work with never a hurt to fabric or hands.

RECRUITS WANTED FOR 62nd OVERSEAS BATTALION, CANADIAN EXPEDITIONARY FORCE.

RECRUITING OFFICE AT PROVINCIAL GOVERNMENT OFFICE NOW OPEN.

In view of the recruiting which is in progress at present throughout the Province, it is apropos to answer a few of the questions which are considered by those who contemplate entering the Service. The following is a list of pertinent queries, together with the information which each elicits.

QUESTIONS ANSWERED.

1.—How long am I to serve? Until the end of the war and six months after if required.

2.—What pay shall I receive? Your pay as a private will be \$1.00 per day and 10 cents field allowance. Besides this you will be clothed, equipped and subsisted by the Government.

3.—What will my wife receive during my absence? Every month there will be paid her a separation allowance of \$20 (also part of your pay) and if this be not enough to comfortably maintain your family, the Canadian Patriotic Fund will further assist them.

4.—What will happen if I am wounded or sick? You will be cared for by the Government and your pay continued until you are discharged. If you are permanently disabled an allowance will be paid you, varying according to the extent of your injury or disability.

5.—What will be done for my wife and children if I die while on Active Service? The Government will provide an adequate pension, that will enable the family to live comfortably until the children are old enough to look after themselves. The widowed mother of a single man, if the son be her sole support, is treated in the same way as a wife.
