

TORTURED BY RHEUMATISM

Sunday School Supt. Tells How "Fruit-a-lives" Relieved

TORONTO, Ont., Oct. 1st, 1913.
"I have lived in this city for more than 12 years and am well known. I suffered from Rheumatism, especially in my hands. I spent a lot of money without any good results. I have taken 'Fruit-a-lives' for 18 months now and am pleased to tell you that I am well. All the enlargement has not left my hands, and perhaps never will, but the soreness is all gone and I can do any kind of work. I have gained 35 pounds in eighteen months."

2,000 AMERICANS WITH CANADIANS

London, August 18.—"There are no fewer than 2,000 Americans in the ranks of the Canadian military contingent," said Major-General Hughes, at a meeting of Americans held here last night. "I have already written letters of gratitude and sympathy," said the Major-General, "to mothers of more than one hundred American boys who have fallen while fighting in Flanders alongside of Canadian comrades. More than 2,000 enlisted, and we could have many more if we wished. Any number of West Pointers offered their services as officers, and some are now with us."

Coughing scatters germs — Stop It

Coughing increases the irritation of the already inflamed mucous membranes and is moreover apt to carry disease to others.

Mathieu's Syrup of Tar and Cod Liver Oil promptly stops coughing, and soon, thanks to its tonic properties, effects a permanent cure.

The wonderful popularity of Mathieu's Syrup of Tar and Cod Liver Oil is specially due to its great value as a permanent lung and bronchial healer.

cattle, cash on delivery at Liverpool."

All the cattle in Montana would not make a dent in such an order, said Mr. Robinson, but this firm will consider the order and try to give the figures. The order, if filled, would involve about \$100,000,000 and would reduce the number of available cattle in the United States to the minimum said Mr. Robinson.

Make Monday Ironing Day

LET Sunlight Soap do your washing Monday morning and you can do the light ironing Monday afternoon.

The rub, rub, rub at the board has no place in the Sunlight way—so with the hardest part of washing cut out you'll feel like making it a good day's work by doing at least part of the ironing.

Follow the directions that cut your work in half and remember there's nothing in Sunlight to injure fine fabric or dainty hand. A \$5,000 guarantee backs this statement.
