MUNITION FACTORIES OF TODAY. Picture shows the inside of an English munition factory where women have replaced men in the making of shells. The women are very eager to do what they can, and no difficulty is found in getting a sufficient number to carry on the work, though some little difference in the quality of the work is perceptible.

Coughing scatters germs —Stop it

Coughing increases the irritation of the already inflamed mucous membrane and is moreover apt to carry disease to others.
Mathien's Syrup of Tar and Cod Liver Oil promptly stops coughing, and soon, thanks to its tonic properties, effects a permanent cure.
The wonderful popularity of Mathien's Syrup of Tar and Cod Liver Oil is specially due to its great value as a permanent lung and bronchial healer.
Sold everywhere, 35c large bottles.
J. L. MATHIEU CO., Prop.
Sherbrooke, P.Q.
For bottles see Mathien's Formula—these are useful also to check the fever and reduce the accompanying pain. 4-4-13
