we can get 'Fruit-a-tives'."

## Protect Your Food

There is no alum in Dr. Price's  
Cream Baking Powder. The names  
of its ingredients, printed on the  
label of every can, show it to be  
made from Cream of Tartar, which  
comes from grapes. No alum bak-  
ing powder or food containing alum  
is permitted to be sold in England.  
To avoid alum read the label and  
use only

## AMBER SUPPLY COMES FROM EAST PRUSSIA

If we decline altogether to buy  
German products after the war,  
as has been suggested, then we  
shall have to find some substi-  
tute other than amber for the

mouthpieces of our pipes and  
cigar and cigarette holders.

For practically the whole of the  
world's supply of genuine amber  
comes from a tiny strip of the  
East Prussian coast line. Here,  
up till the summer of 1899, it  
was gathered after storms by the  
peasants, who made at times a  
very good thing out of their en-  
terprise and industry. But the  
right to search for the precious  
substance is now monopolized by  
the German government, and  
every fragment found on the  
sands or dragged up in a fisher-  
man's net must be at once sur-  
rendered.—Ex.

## Nerve Energy and Eyeglasses.

A constant dropping wears  
away a stone. A slight  
eyestrain injures the health  
because it is constant. The  
strain which first manifests  
itself as a slight discomfort  
should be remedied at once.  
This we guarantee to do with  
glasses. Consultation free.  
Delays are dangerous.
