GREAT PROGRAM FOR LABOR DAY SPORTS

The celebration committee of the Trades and Labor Council have provided a splendid program of sports, and a magnificent list of prizes, for Labor Day. There will be football games beginning at 10 a. m. At 11 a. m. the mile race will start for the Loop Loving Cup, followed by a big general athletic program, including high jump, hop, step and jump, putting the shot, running high jump, and the usual flat races for young and old, married and single, including a special race for fishermen.

The sports will fill up the forenoon, and part of the afternoon, allowing time for lunch from noon until 1 p. m. At 4 p. m. there will be a ball game between Merchants and Union Men, and at 5:30 the final in the five-a-side tournament.

The prizes amount to close on \$500 and have been most generously subscribed by the leading merchants and citizens. There will be a band in attendance and a big free smoker in the evening.

DETECTIVE STORY AT THE MAJESTIC THEATRE

The Majestic tonight has a thrilling three-reel detective and smuggling story, entitled "The Other Half of the Note." It is a tale of transatlantic diamond smuggling, in which several innocent people are implicated. From start to finish it is full of exciting incident, and of course ends up with the villains in the hands of the law, and the hero and the heroine smiling happily. One thousand feet of clever work by a famous cartoonist, and "Wipe Yer Feet," a rollicking comedy, complete a real good program.

Monday and Tuesday bring along the sixth episode of "The Broken Coin."

There will be an anniversary concert in the Baptist church on Tuesday evening at 8 o'clock. Admission, 25 cents.

Mr. and Mrs. R. L. McIntosh left for an extended tour of the south this morning, including the Panama Exposition. A large party of friends was at the wharf to bid them bon voyage.

Noblesse Oblige

Rank imposes obligations—
or—as the French put it—"Noblesse Oblige."

It is a very natural and right principle that those who by their position in life command the respect of others should deserve it and be worthy of maintaining their position. "Much is expected of those in high station."

But this principle is not confined to persons of noble birth—it has a hundred applications. It applies, for example, to those manufacturers of reputation and prestige who make goods of high quality and who advertise them constantly in the newspapers of the land.

By their advertising they have attained an eminence where the very best in quality and good service is expected of

them. They have set a standard and their very business life depends on the constant maintenance of it.

So that when you buy advertised articles you rest assured that you are getting the best value that money can buy.

Well may you place your faith in advertised goods. Well may you give them preference over articles which you can only hope may prove satisfactory.

For the principle of "Noblesse Oblige" is your guarantee of excellence in Advertised Goods.

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper. If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lumsden Building, Toronto.
