GOOD PROGRAM AT THE WESTHOLME THEATRE

"The Sign of the Cross," which proved so popular with the patrons of the Westholme Theatre, is the first of a steady supply of the masterpieces of filmdom, which Mr. Albert arranged for on his recent visit south. Arrangements have been made with Pathe Freres, Famous Players Company, Mutual Film Company and the General Film Company for an exclusive service. Neither trouble nor expense have been spared in an effort to give Prince Rupert the very best.

The program for tonight and tomorrow is a nicely varied one, comprising a two-reel drama entitled "The Van Thornton Diamonds," the story of a society crook and how he schemes to annex the valuable jewels of Mrs. Van Thornton and is foiled by the girl he has married and forced to become his accomplice. "The Silver Cup," the third episode of "The Road O' Strife," is as mysterious as its predecessors. The Pathe Gazette is particularly interesting, showing Russian and Canadian troops and the Australians in Egypt, and Kitchener reviewing his army.

Two good comedies in "An Embarrassing Predicament" and "A Safe Adventure" completes a very fine program. On Sept. 17 and 18 Charlie Chaplin will be here in "Work."

ESSANAY FEATURE AT MAJESTIC THEATRE

Tonight and tomorrow the Majestic presents a very fine program, the chief item of which is a three-act Essanay Photoplay entitled "The Fulfillment." It is a thrilling story of self-sacrifice on the part of a young naval officer who risks his life to save his rival from a fire, and is afterwards given up as dead. The shock, coming just before the day arranged for their wedding, robs his sweetheart of reason. The rival, who knows that the hero is still alive though seriously injured, keeps the girl in the belief that her lover is dead.

In the long run the villain confesses and the couple are restored to each other, and a happy wedding follows. The piece is rich in human interest. Three good comedies in "Mr. Blink of Bohemia," "Salamander Unattached" and "Safety Worst," complete a strong bill.

Noblesse Oblige

Rank imposes obligations—
or—as the French put it—"Noblesse Oblige."

It is a very natural and right principle that those who by their position in life command the respect of others should deserve it and be worthy of maintaining their position. "Much is expected of those in high station."

But this principle is not confined to persons of noble birth—it has a hundred applications. It applies, for example, to those manufacturers of reputation and prestige who make goods of high quality and who advertise them constantly in the newspapers of the land.

By their advertising they have attained an eminence where the very best in quality and good service is expected of

them. They have set a standard and their very business life depends on the constant maintenance of it.

So that when you buy advertised articles you rest assured that you are getting the best value that money can buy.

Well may you place your faith in advertised goods. Well may you give them preference over articles which you can only hope may prove satisfactory.

For the principle of "Noblesse Oblige" is
your guarantee of excellence in Advertised Goods.

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper. If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lumsden Building, Toronto.
