## Your King and Country Need You

RECRUITS WANTED FOR 62nd OVERSEAS BATTALION,  
CANADIAN EXPEDITIONARY FORCE.

### RECRUITING OFFICE AT PROVINCIAL GOVERNMENT OFFICE NOW OPEN.

In view of the recruiting which is in progress at present  
throughout the Province, it is apropos to answer a few of  
the questions which are considered by those who contem-  
plate entering the Service. The following is a list of perti-  
nent queries, together with the information which each elicits.

#### QUESTIONS ANSWERED.

1.—How long am I to serve? Until the end of the war  
and six months after if required.

2.—What pay shall I receive? Your pay as a private will  
be \$1.00 per day and 10 cents field allowance. Besides this  
you will be clothed, equipped and subsisted by the Govern-  
ment.

3.—What will my wife receive during my absence? Every  
month there will be paid her a separation allowance of \$20  
(also part of your pay) and if this be not enough to com-  
fortably maintain your family, the Canadian Patriotic Fund  
will further assist them.

4.—What will happen if I am wounded or sick? You will  
be cared for by the Government and your pay continued  
until you are discharged. If you are permanently disabled an  
allowance will be paid you, varying according to the extent of  
your injury or disability.

5.—What will be done for my wife and children if I die  
while on Active Service? The Government will provide an  
adequate pension, that will enable the family to live com-  
fortably until the children are old enough to look after them-  
selves. The widowed mother of a single man, if the son be  
her sole support, is treated in the same way as a wife.

## A Suggestion for Efficient Economy

Throughout the Empire has gone the call for personal  
economy to meet the extraordinary demands of the war.  
Here is a timely suggestion to men who have been spending  
from \$25.00 to \$75.00 a year on barber shop shaves:

Invest five dollars in a

## GILLETTE Safety Razor

and shave yourself at home.

The saving will not be limited to money—the time you'll gain will  
be even more important, for the morning shave with the Gillette need  
not take more than five minutes.

And the comfort rivals the economy. Though you never shaved  
yourself before, you'll have no trouble in getting a clean, cool, safe  
shave with the Gillette Safety Razor. No more waiting your turn in the  
chair—no more breaks in the morning's work—no more dependence on  
unknown barbers when travelling, for the Gillette works anywhere.

Truly, the man with a Gillette is an efficient economist. Get  
one yourself to-day. "Bulldog", "Aristocrat" or Standard Sets cost \$5.  
—Pocket Editions \$5. to \$6.—Combination Sets \$6.50 up. Your  
Hardware Dealer or Jeweler will show you an assortment. 62
