## GERMANS ARE TAKING WAR NEWS SERIOUSLY

Copenhagen, Oct. 1.—"News of  
the offensive on the western front  
is taken seriously here," says the  
Berlin correspondent of the Poli-  
tiken.

The Tageblatt remarks that  
nothing would be more foolish  
than to overlook the terrible  
seriousness of the recent battles  
in the west, and that it would be  
equally wrong for Germans not  
to have the fullest confidence in  
their troops and leaders.

## Your King and Country Need You

RECRUITS WANTED FOR 62nd OVERSEAS BATTALION,  
CANADIAN EXPEDITIONARY FORCE.

RECRUITING OFFICE AT PROVINCIAL GOVERNMENT  
OFFICE NOW OPEN.

In view of the recruiting which is in progress at present  
throughout the Province, it is apropos to answer a few of  
the questions which are considered by those who contem-  
plate entering the Service. The following is a list of perti-  
nent queries, together with the information which each elicits.

### QUESTIONS ANSWERED.

1.—How long am I to serve? Until the end of the war  
and six months after if required.

2.—What pay shall I receive? Your pay as a private will  
be \$1.00 per day and 10 cents field allowance. Besides this  
you will be clothed, equipped and subsisted by the Govern-  
ment.

3.—What will my wife receive during my absence? Every  
month there will be paid her a separation allowance of \$20  
(also part of your pay) and if this be not enough to com-  
fortably maintain your family, the Canadian Patriotic Fund  
will further assist them.

4.—What will happen if I am wounded or sick? You will  
be cared for by the Government and your pay continued  
until you are discharged. If you are permanently disabled an  
allowance will be paid you, varying according to the extent of  
your injury or disability.

5.—What will be done for my wife and children if I die  
while on Active Service? The Government will provide an  
adequate pension, that will enable the family to live com-  
fortably until the children are old enough to look after them-  
selves. The widowed mother of a single man, if the son be  
her sole support, is treated in the same way as a wife.

## THE PRICE OF HOMAGE

ONCE when King Edward VII. paid a visit to Sheffield,  
all the fires in factories and plants were allowed to  
die out. Not a wheel in Sheffield turned for twenty-  
four hours. The primary object of this was to lift the  
pall of smoke that hovers over that wonderful steel-produc-  
ing city, and to ensure, as far as man was able, a bright day  
and a blue sky for an auspicious occasion. It was  
Sheffield's expression of respect.

BUT the action was unique—it was unprecedented—it  
was unthought of that those hundreds of mighty  
furnaces, raging night and day, and those seething  
boilers, with quivering valves, should ever be allowed to  
cool. This extinguishing of fires cost Sheffield hundreds  
of thousands of dollars—the price of the effort to get back  
again to high-power efficiency.

SOME business men in Canada pay an unwitting homage,  
not to a king, but to a superstition—the superstition  
that hot weather justifies letting the fires of business  
energy go out. They stop Advertising in the Summer  
months. By paying homage to tradition, custom, supersti-  
tion, they have allowed Summer to become their "dull"  
season. You know how dull it can be when you don't  
advertise. Do you know how brisk it can be made by  
Advertising? Do you realize how much momentum you  
now lose in the Summer that must be regained in the Fall?

DON'T LET YOUR ADVERTISING FIRES DIE  
OUT THIS SUMMER.

Advice regarding your advertising problems is available through any recognised Can-  
adian advertising agency, or the Secretary of the Canadian Press Association, Room  
503 Lumsden Building, Toronto. Enquiry involves no obligation on your part—so  
write, if interested.
