

TOOK THE ADVICE OF HIS FRIEND

Stomach Trouble and Rheumatism
Relieved By "Fruit-a-tives"

MR. L. LABRIE

694 Champlain St., Montreal.

"I have been restored to health by taking 'Fruit-a-tives'. For two years, I was a miserable sufferer from Rheumatism and Stomach Trouble. I became very weak, had frequent dizzy spells and when I took food, felt wretched and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints and my hands swollen.

A friend advised me to try 'Fruit-a-tives' and from the outset, they did me good. After I had started the second box, I felt I was getting well and I persevered in the treatment. I can truthfully say that 'Fruit-a-tives' is the only medicine that helped me.

LOUIS LABRIE.

"FRUIT-A-TIVES" is the famous medicine made from fruit juices. Use a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

ROYAL COMMISSIONS

(Continued From Page Two.)

The wages of skin is \$80,000.

At present the Joint Commission for Better Terms for the British Columbia Indians is working the northern part of the province. Better terms for the Indians do not necessarily interfere with high old times for the Commissioners.

dians do not necessarily interfere with high old times for the Commissioners.

During the last six months they have "conferred" with the Indian chiefs in the north, three times—a five hundred mile journey each way. The first and second times the commissioners went north they used the ordinary palace steamers of the C. P. R. and G. T. P. which ply in the Inside passage, but on the last visit they

make the trip from Victoria on the Union S. S. Co.'s steamer, Chelohsin, which they chartered for \$350 a day. This charter, with side trips, and picnic interludes, will probably run three weeks. Some Charter!—H. F. Gadsby.

The Housekeeper is Right

Sometimes a housekeeper requires a quick leavening agent, and finds she has no baking powder.

What does she do?

She raises her biscuit by a mixture of cream of tartar and soda, or soda and sour milk. She may not get the proportions quite right, but she knows her food is safe. But does she ever use a mixture of alum and soda? Was there ever a housekeeper who bought alum and soda to make a home made baking powder? Intuitively she feels it would be unsafe.

Then why use baking powder made from alum or the same mixture that the housekeeper would not dare to mix and use in her food?

Alum is alum, whether bought in the drug store or in baking powder.

DR. PRICE'S CREAM BAKING POWDER

is made from pure cream of tartar and contains no alum, lime or phosphate. There is absolute safety in its use.
