

SHE RECOMMENDS "FRUIT-A-TIVES"

Mrs. Corbett Read the
Advertisement and Tried It

Avon, May 14th, 1914.
"I have used 'Fruit-a-tives' for
Indigestion and Constipation with most
excellent results, and they continue to
be my only medicine. I saw 'Fruit-a-
tives' advertised with a letter in which
some one recommended them very
highly, so I tried them. The results were
more than satisfactory, and I have no
hesitation in recommending 'Fruit-a-
tives'." ANNIE A. CORBETT.

Time is proving that 'Fruit-a-tives'
can always be depended upon to give
prompt relief in all cases of Constipation
and Stomach Trouble.

50c. a box, 6 for \$2.50, trial size 25c.

The Royal Standard Test

Here's where we test the
choicest samples of Canada's
six million acre wheat crop.
We grind them into flour in the
little mill you see on the left of
the picture. Then comes the
supreme test—bread-baking. If
the bread is perfect in every
way we pronounce the wheat
A1 and the flour—ROYAL
STANDARD.

'THE DAILY NEWS'

The Housekeeper is Right

Sometimes a housekeeper requires a quick leaven-
ing agent, and finds she has no baking powder.

What does she do?

She raises her biscuit by a mixture of cream of tartar and
soda, or soda and sour milk. She may not get the propor-
tions quite right, but she knows her food is safe. But does
she ever use a mixture of alum and soda? Was there ever
a housekeeper who bought alum and soda to make a home
made baking powder? Intuitively she feels it would be
unsafe.

Then why use baking powder made from alum or the
same mixture that the housekeeper would not dare to mix
and use in her food?

Alum is alum, whether bought in the drug store or in
baking powder.

DR. PRICE'S CREAM BAKING POWDER

is made from pure cream of tartar and contains no alum,
lime or phosphate. There is absolute safety in its use.

Ramsay's Empire Cream Sodas

In 2-lb. Tins

Have attained their enviable reputation by their superior
quality and uniformity. The most discriminating house-
wife insists upon "Ramsays Empire" when buying Soda
Biscuits.

They are made in B. C. and your grocer gets his supply
frequently and quickly, insuring freshness, which means
crispness.

Prove it by buying a tin with your next order.
