

# SHE RECOMMENDS "FRUIT-A-TIVES"

Mrs. Corbett Read the Advertisement and Tried It

Avon, May 14th, 1914.

"I have used 'Fruit-a-tives' for Indigestion and Constipation with most excellent results, and they continue to be my only medicine. I saw 'Fruit-a-tives' advertised with a letter in which some one recommended them very highly, so I tried them. The results were more than satisfactory, and I have no hesitation in recommending 'Fruit-a-tives'" ANNIE A. CORBETT.

Time is proving that 'Fruit-a-tives' can always be depended upon to give prompt relief in all cases of Constipation and Stomach Trouble.

50c. a box, 6 for \$2.50, trial size 25c.

## The Royal Standard Test

Here's where we test the choicest samples of Canada's six million acre wheat crop. We grind them into flour in the little mill you see on the left of the picture. Then comes the supreme test—bread-baking. If the bread is perfect in every way we pronounce the wheat A1 and the flour—ROYAL STANDARD.

**RAMSAY BROS. & CO., LTD.**  
Vancouver, B. C.

# The Housekeeper is Right

Sometimes a housekeeper requires a quick leavening agent, and finds she has no baking powder.

What does she do?

She raises her biscuit by a mixture of cream of tartar and soda, or soda and sour milk. She may not get the proportions quite right, but she knows her food is safe. But does she ever use a mixture of alum and soda? Was there ever a housekeeper who bought alum and soda to make a home made baking powder? Intuitively she feels it would be unsafe.

Then why use baking powder made from alum or the same mixture that the housekeeper would not dare to mix and use in her food?

Alum is alum, whether bought in the drug store or in baking powder.

# DR. PRICE'S CREAM BAKING POWDER

is made from pure cream of tartar and contains no alum, lime or phosphate. There is absolute safety in its use.
