Coughing increases the irritation of the already inflamed mucous membranes and is moreover apt to carry disease to others.

Mathieu's Syrup of Tar and Cod Liver Oil promptly stops coughing, and soon, thanks to its tonic properties, effects a permanent cure.

INSPECTION

INSPECTION of the Gillette Safety Razor
by mechanical experts and men of judgment shows clearly **WHY** seven million shavers prefer it.

The thin, flat blade is tempered to a uniform hardness impossible in an ordinary thick-backed razor. As a natural result, it takes an edge unequalled for even keenness.

By a simple turn of the wrist you can regulate a Gillette shave to a nicety—light, medium or as close as you like.

The curved holder supports the blade close to the shaving edges, preventing all that vibration which makes hollow-ground open blades and other safeties pull and irritate when they strike a stiff beard.

The toothed guard ensures safety, and permits such free and rapid strokes that a smooth, clean Gillette shave need take no more than three minutes.

Then there's the adjustable feature, exclusive to the Gillette.

Inspect the Gillette and you'll buy it—and shave in comfort thereafter. Go to it! Your Druggist, Jeweler or Hardware Dealer will gladly parade the Gillette Line before you.

"Bulldog", "Aristocrat" and Standard Sets, \$5.00—Pocket Editions, \$5.00 to \$6.00—Combination Sets, \$6.50 up.
