

TORTURED BY RHEUMATISM

Sunday School Supt. Tells How "Fruit-a-lives" Relieved

Toronto, Ont., Oct. 1st, 1913.
"I have lived in this city for more than 12 years and am well known. I suffered from Rheumatism, especially in my hands. I spent a lot of money without any good results. I have taken "Fruit-a-lives" for 18 months now and am pleased to tell you that I am well. All the enlargement has not left my hands, and perhaps never will, but the soreness is all gone and I can do any kind of work. I have gained 85 pounds in eighteen months."

THE THRILLING CAPTURE OF A MOUNTAIN LION

GREAT ANIMAL FILM AT THE WESTHOLME THEATRE

Above is a scene from the great animal picture of six reels showing at the Westholme Theatre to-night and tomorrow. This is one of the most striking films ever produced. Not only is the scenery depicted amongst the most wonderful on the continent, but the wild animals have been photographed in their natural surroundings. The bear, lion and

cougar are shown in their native haunts, while fishing and bird hunting pictures are amongst the most remarkable ever brought before the public.

Besides furnishing as much excitement as the most thrilling of dramas, the six reels have a high educational value. The children will be delighted, while at the same time they will learn more of the ways of the wild animals in two hours than they could in days in a school room. The majesty

of the scenery and the natural movements of the denizens of the forest, coupled with the exciting hunting scenes will hold the interest of the grown-ups every minute. A good comedy entitled "Polly of the Pots and Pans", completes this great seven-reel program.

Coughing scatters germs — Stop it

Coughing increases the irritation of the already inflamed mucous membranes and is moreover apt to carry disease to others.

Mathieu's Syrup of Tar and Cod Liver Oil promptly stops coughing, and soon, thanks to its tonic properties, effects a permanent cure.

The wonderful popularity of Mathieu's Syrup of Tar and Cod Liver Oil is specially due to its great value as a permanent lung and bronchial healer.

Sold everywhere, 35c large bottles.

At the city council Monday night, a petition signed by A. B. Williams and 49 other residents in Section 2 was presented, requesting that no Orientals be permitted to put up buildings in Section 2.

The Housekeeper is Right

Sometimes a housekeeper requires a quick leavening agent, and finds she has no baking powder.

What does she do?

She raises her biscuit by a mixture of cream of tartar and soda, or soda and sour milk. She may not get the proportions quite right, but she knows her food is safe. But does she ever use a mixture of alum and soda? Was there ever a housekeeper who bought alum and soda to make a home made baking powder? Intuitively she feels it would be unsafe.

Then why use baking powder made from alum or the same mixture that the housekeeper would not dare to mix and use in her food?

Alum is alum, whether bought in the drug store or in baking powder.

DR. PRICE'S CREAM BAKING POWDER

is made from pure cream of tartar and contains no alum, lime or phosphate. There is absolute safety in its use.
