RUMORED CABINET CHANGES AT VICTORIA

M'BRIDE FOR LONDON--BOWSER TO BE PREMIER--TAYLOR AND YOUNG TO GO

SIR RICHARD M'BRIDE MAY LEAVE FOR LONDON SHORTLY

REPORT THAT HE WILL ACCEPT THE AGENT-GENERALSHIP--BOWSER WILL BE PREMIER--TAYLOR AND YOUNG TO LEAVE CABINET--THE PREMIER WANTS PLEBISCITE ON PROHIBITION

(Special to The Daily News.)

Vancouver, Nov. 9.—There is a report in the Province and Victoria Times that Sir Richard McBride is to leave the cabinet this month for London, to take over the agent-generalship of British Columbia.

Hon. W. J. Bowser will be premier, and Taylor and Young will leave the cabinet. By-elections will follow the appointment of A. C. Flummerfelt, Lorne Campbell and C. E. Tisdall to the cabinet.

Prohibition.

The reply of Premier McBride to the prohibition executive was received last night. The prohibitionists asked for a referendum to be taken on any day but

election day.

The Premier made a very guarded reply stating that it was necessary to hold a plebiscite on election day in order to ensure an adequate vote. He objects to the act as failing in the object of its drafters.

Premier McBride also states that he is opposed to the principle of the referendum as being contrary to the spirit of British representative government.

The reply was discussed at length by the executive. The executive, after a further explanation from the premier, will call together a committee of one hundred to formulate a policy to meet the government attitude.

CAPTAIN WARDEN TO GO SOUTH TONIGHT

Captain J. W. Warden did not go south this morning as he intended, having decided to stay over until this evening to allow of a more thorough inspection of the district, including a visit to Metlakatla with a view to securing the services of the band there. He will go south on the Chelohsin tonight.

"BROKEN COIN" TONIGHT AT THE MAJESTIC THEATRE.

This is "Broken Coin" night at the Majestic. On this occasion the fifteenth and sixteenth episodes are blended into one, and the striking story of intrigue goes along merrily as ever. Grace Cunard is still the most interesting character in this magnificent serial, her quaint humor being delightful.

There is the usual bright and newsworthy Animated Weekly, while the comedies are of the first class. "And the Deacon Swore" is extremely funny, while "Pokes and Jabbs" is a perfect scream.

Mr. Delasala announces another great Pathe attraction, entitled "The Heart that Knew." Pathe features are always good and this is no exception.

WEDDING BELLS

Two of the most popular young old timers of Prince Rupert, in the persons of Miss Hettie M. McLeod and Mr. John R. Morrison, assistant postmaster here, were married yesterday. The ceremony was performed by Rev. J. F. Dimmick, the bride being given away by her brother Mr. H. A. McLeod, and attended by Misses Jean and Mayo Bailey, two dainty bridesmaids.

After the ceremony, the wedding party was entertained to a sumptuous banquet at the home of Mrs. A. H. Bailey, 5th Avenue, East. Mr. and Mrs. John R. Morrison will reside in the Clapp Block on Second Ave.

SECTION TWO ENQUIRY

At the council last night, the city solicitor brought in a report as requested, on the question of Orientals building in Section two. He said that a man's nationality had no bearing whatever on the question of building. The only essential was strict compliance with the laws and regulations.

EARLY CLOSING.

The bylaw to shorten the hours during which grocers may carry on business passed its second reading at the council last night. The only alteration was the changing of the closing hour from 7 p. m. to 6.30 p. m.

SCHEME TO REDUCE VANCOUVER COUNCIL

(Special to The Daily News.)

Vancouver, Nov. 9.—The city council has voted to reduce the size of the council. It is suggested that next year the eight wards have each one alderman instead of two.

SPLENDID SHOW AT THE WESTHOLME THEATRE.

The Westholme was crowded last night by interested followers of the fortunes of "The Diamond from the Sky." This serial is proving a worthy successor of "The Million Dollar Mystery" and is becoming more interesting and exciting as it develops.

"Her Martyrdom," a three-reel drama of great power, tells the story of a young lady who marries a millionaire whom she does not love, in order to get money enough to send her real lover to Colorado to recover his health. The return of the invalid provides a most dramatic scene and a tragic conclusion. It is an excellent play, splendidly staged and convincingly acted.

The Gaumont Gazette is full of good things from British military centres and the front, while "She Took A Chance" is a most laughable comedy. The entire show is good.

MARKET CLERK'S BOND

F. Holland, market clerk, complained to the council last night that the \$5,000 bond required would cost him \$50. He had been told it would cost only about \$20.

The subject was freely discussed, and the city solicitor suggested that \$2,000 would be ample.

Ald. Montgomery asked who paid for the bonds of city hall officials. On being informed that the city did, he held that it was unfair to ask this man to pay, while the others, who had larger salaries, did not.

The matter was referred to the finance committee.

F. W. HART, AUCTIONEER

F. W. Hart, whose office is in the Hart Block, at the corner of Third Ave. and Fifth St., has decided to enter the field as an auctioneer and appraiser. Mr. Hart has had a wide and varied experience of many lines of business, and should be just the right man in the right place.

SALVATION ARMY OFFICERS GO SOUTH

Captain Hodge and Captain Pardy, who have been carrying on the work of the Salvation Army in Prince Rupert for some time, left for Vancouver to attend the annual congress, this morning. These Ladies do not expect to return north, and desire to thank all who assisted them in their work in the city. It is expected that the new staff will be here shortly.

INTERESTING BOARD OF TRADE MEETING

The regular monthly meeting of the Board of Trade was held last night when some of the suggestions brought forward at the recent special meeting were approved and acted upon.

President D. G. Stewart announced the citizen's committee to go fully into the question of making war material here. It is composed of Mitchell Albert, the chairman; George A. McNicholl, G. A. Woodland, Ald. George Casey and H. O. Robinson.

The scheme to circulate a petition for signatures making a request of the G. T. P. that they transfer their fleet headquarters to Prince Rupert was approved and the petition will be ready for signatures in the course of a few days.

In discussing the question of finances, President D. G. Stewart said that he would make it his business to see that the indebtedness of the board was wiped out before the end of the year.

APPOINTMENT OF PHONE WIRE CHIEF

Applications for the position of telephone wire chief were opened at the council meeting last night, on the motion of Ald. Montgomery.

Two of the applicants, Jas. N. Wilson and Ernest Love; both former managers of this department, asked for a salary of \$150 per month, while the rate advertised was \$135. It was finally agreed to leave Wilson and Love out of consideration.

The other applicants were P. A. Phillips, Vancouver, J. Foster, Vancouver, and H. S. Emanuels, New Westminster. The ballot showed 6 votes for Phillips and 2 for Emanuels.

P. A. Phillips, the selected man, was very highly commended by the manager of the Northern Electric Company.

DISCOURTESY

At the council last night a letter from Ald. Casey was read in which he complained of the discourteous behavior of some member of the city treasurer's staff. He recounted his attempts to get into conversation with someone at the city hall, the phone being answered on each occasion by this individual who was too busy to take the trouble to find out what or who was wanted.

Mr. Casey felt that the matter should be gone into, as the general public might be receiving similar treatment. He asked for the appointment of a committee of enquiry.

Ald. Beveridge favored the mayor naming a committee, as such conduct should be investigated. The finance committee was named.
