THE EMPLOYMENT OF MARRIED MEN BY CITY

At the city council Monday, Ald.
Beveridge brought down a motion
that single men employed by the
city be replaced by married men
wherever possible. He said that
he felt certain there were many
single men drawing good salaries
from the city while many married
men were idle.

The motion was seconded by
Ald. Montgomery.

Ald. Dybhavn said he did not
quite grasp the motion and want-
ed to know if being married was
to be the sole qualification for
city employment. He felt that
efficiency was the first essential.
Provided a married man was
thoroughly qualified he was cer-
tainly in favor of him as against
a single man, but he did not see
that a good man should be let go
simply because he is single.

Ald. Njeol moved that the mat-
ter be left over for a week pend-
ing a report from the various de-
partments as to the number of
single men on the payroll.

Ald. Edge held that the mem-
bers were very inconsistent as
they had hired a single man as
against a married man last week,
six voting for the single man and
two for the married.

Ald. Montgomery said that a
single man who had earned good
wages for several years should be
able to take a rest. He pointed
out that the man hired last week
supported his mother.

Ald. Beveridge said that he did
not want to alter the efficiency of
the staff, but he thought there
were single men employed who
should be at the front and there
were many efficient married men
out of work.

The mayor said that, for
months past, the departments
had always given preference to
married men, except in the fire
department, and married men did
not care for that line of work.

It was carried unanimously that
a report be brought in next week
giving a list of the single men
and their rate of wages.

A Suggestion for Efficient Economy

Throughout the Empire has gone the call for personal
economy to meet the extraordinary demands of the war.
Here is a timely suggestion to men who have been spending
from \$25.00 to \$75.00 a year on barber shop shaves:

Invest five dollars in a

GILLETTE Safety Razor

and shave yourself at home.

The saving will not be limited to money—the time you'll gain will
be even more important, for the morning shave with the Gillette need
not take more than five minutes.

And the comfort rivals the economy. Though you never shaved
yourself before, you'll have no trouble in getting a clean, cool, safe
shave with the Gillette Safety Razor. No more waiting your turn in the
chair—no more breaks in the morning's work—no more dependence on
unknown barbers when travelling, for the Gillette works anywhere.

Truly, the man with a Gillette is an efficient economist. Get
one yourself to-day. "Bulldog," "Aristocrat" or Standard Sets cost \$5.
—Pocket Editions \$5. to \$6.—Combination Sets \$6.50 up. Your
Hardware Dealer or Jeweler will show you an assortment. 62
