A Suggestion for Efficient Economy

Throughout the Empire has gone the call for personal economy to meet the extraordinary demands of the war. Here is a timely suggestion to men who have been spending from \$25.00 to \$75.00 a year on barber shop shaves:

Invest five dollars in a

GILLETTE Safety Razor

and shave yourself at home.

The saving will not be limited to money—the time you'll gain will be even more important, for the morning shave with the Gillette need not take more than five minutes.

And the comfort rivals the economy. Though you never shaved yourself before, you'll have no trouble in getting a clean, cool, safe shave with the Gillette Safety Razor. No more waiting your turn in the chair—no more breaks in the morning's work—no more dependence on unknown barbers when travelling, for the Gillette works anywhere.

Truly, the man with a Gillette is an efficient economist. Get one yourself to-day. "Bulldog", "Aristocrat" or Standard Sets cost \$5.—Pocket Editions \$5. to \$6.—Combination Sets \$6.50 up. Your Hardware Dealer or Jeweler will show you an assortment.

Gillette Safety Razor Co. of Canada, Limited
Office and Factory—Gillette Bldg., Montreal.
