Reported Serbian Retreat.
Paris, Nov. 19.—An unofficial report states that the Serbians are in retreat from Babuna Pass, after killing five thousand more than their own numbers. They saved all their artillery.

"THE PROFLIGATE" AT THE MAJESTIC THEATRE

The star feature at the Majestic tonight is a three-reel Essanay photoplay, entitled "The Profligate." This is a powerfully told story of society life. Billie Reeves, who is now so popular with movie enthusiasts, appears in "Billie Joins the Navy." Billie's every movement is provocative of mirth. The program includes another of those intensely exciting railroad dramas which are looked forward to every week, and a film showing how big guns are manufactured. The latter picture is of particular interest at the present time when the big gun question is of such vital importance.

"The Broken Coin" provides lots of thrills for Monday and Tuesday.

REPORT THAT ROOSEVELT IS TO VOLUNTEER

Teddy Will Command A Canadian Division—Ranks Open to Americans—Choose Your Death in Utah.

(Special to The Daily News.)
Ottawa, Nov. 19.—The Free Press reports that Colonel Roosevelt may volunteer for active service with the Canadian troops, and that he will be given the command of a Canadian division, which will be open to Americans for recruiting.

The leading of a Canadian division would not abrogate his rights as an American citizen, nor would it affect his right to contest the presidency at the end of the war.

Choice of Death.
Salt Lake City, Nov. 19.—Under the new Utah law giving a choice of death by either hanging or shooting, Harry Hillstrom was shot this morning for the double murder of John Morrison and his son Arling.

CHRISTMAS VALUES

The Prince Rupert Grocery, on our back page, presents a very attractive price list to purchasers. Every Tuesday and Friday similar attractions will appear in this paper. The proprietors, Messrs. Morrissey and Kelly, are two of the oldest pioneers in the city. They are heavy ratepayers; their entire holding is in the city and they are here to stay, and know that, when the sun of prosperity has emerged from behind the present commercial clouds, they will be on deck to welcome the influx of a new population to our city.

NEW SALVATION ARMY OFFICERS HAVE ARRIVED

Captain and Mrs. Cooper arrived from Vancouver yesterday to take charge of the work of the Salvation Army in Prince Rupert. They were accompanied north by Captain Leake, who has gone to Andimaul to assist Adjutant Alpin.

Captain Cooper's brother, who was with the British forces on the western front, has been missing for several months, while Mrs. Cooper has a brother with the Army Medical Corps.

At the morning service at 11 o'clock Sunday, Captain Cooper will speak on "God's Way." There will be Sunday School in the afternoon, and in the evening at 7:30 Captain Cooper's subject will be "The Fall and Rise of a Military Genius."

FAREWELL DANCE

A farewell dance is to be given this evening in honor of Mr. and Mrs. Stilwell, who leave within a few days for Roseburg, Ore. The dance will be given in the McIntyre Hall, commencing at 9 o'clock. In addition to the popularity of both Mr. and Mrs. Stilwell, the former as a member of the Westholme Theatre orchestra, has at all times been ready to provide music for all Red Cross events.

In the Letter Box

Editor Daily News:—Will you kindly allow me space to express a few thoughts and observations which I have made during the last few years?

I have on several occasions attended the meeting of our city council for the last three years or more. I have, with the rest of the ratepayers, followed closely the early developments of our city, and I have seen conditions come down to a point of practical stagnation as far as city work is concerned.

The annual reports issued by the city show that during the 8 months our first city council sat in office they had 110 regular and adjourned meetings. The council of 1911 held 80 regular and four special meetings in 12 months, in 1912, 66 regular and 4 special meetings, in 1913, 55 regular and 7 special meetings, and in 1914, 58 regular and 6 special meetings. The council of 1910 in order to pave the way had to sit till the small hours in the morning in order to get through with the work they had on hand. Our councils have also since that time experienced late sittings, which on a good many occasions were not called for by the amount of work on hand.

In my opinion the councils in the early days of the city earned their \$33 per month. As conditions are now it hardly takes half an hour per week to attend to the routine work of the council, but lacking any regular subjects to pass time over, I have witnessed occasions of discussion which, in my humble opinion, did not add much to the prestige of the council. Trivial matters which should have been attended to by heads of departments have caused long

GALT GOWNS GET GERMAN INTO TROUBLE

Parisian Dressmakers Refuse to Sell to a German—Three Taubes Drop Bombs On Luneville.

(Special to The Daily News.)
Paris, Nov. 19.—The Dressmakers' Syndicate has blacklisted a German-American costumiere, named Kurzmann, who was engaged to purchase Parisian gowns for Mrs. Norman Galt, to be worn at the forthcoming presidential wedding.

Kurzmann threatens to stir up a diplomatic disturbance over the question, while the syndicate offers to present the gowns to Mrs. Galt, rather than sell them through a German.

Eight German Taubes attacked the town of Luneville. Five were driven off by French aeroplanes, but three succeeded in throwing bombs and three persons were wounded.

debates, resulting in nothing but amusement for the audience.

This year's council have done considerable retrenchment in order to reduce the rather heavy expenditures for a small community like ours. I also remember the time when the question was raised in form of a petition to reduce the indemnity for the members of the council. In harmony with conditions generally, I had expected the council to do unto themselves as they found advisable to do unto others. But what happened? The mayor stated to (Continued on Page 4)

SINGLE CIVIL SERVANTS ARE ASKED TO 'LIST

Enough Married Men to Carry on Civil Service—Anti-prohibition Petition by The Carload.

(Special to The Daily News.)
Victoria, Nov. 19.—The Provincial secretary, Dr. H. E. Young, is sending out notices to all single able-bodied employees of the British Columbia government that it is the desire of the government to see them join the forces for overseas service. The notice states that there are sufficient married employees in the government service to carry on the work of the civil service.

Anti-prohibition.
The anti-prohibitionists are to present a mammoth petition to the McBride government on November 26th. The petition carries over 30,000 names and it is claimed that it will require a motor car to haul it to the government buildings.

THRILLING DRAMA AT THE WESTHOLME THEATRE

"The Attorney for the Defence" the great three-act drama at the Westholme tonight, is a striking illustration of the triumph of law over justice. A clever young attorney succeeds in obtaining an acquittal for a man he knows to be guilty. The criminal's next victim is the attorney himself. The story is told in thrilling fashion, the lawyer being shot in the back while driving his auto; the car runs wild and plunges over a bridge. Of course there is a delightful love story in the play, but it would not do to divulge the details here.

The program includes two comedies, "The Drug Clerk" and "A Lucky Loser," concluding with "The Man who did not Die," the 13th episode of "The Road O' Strife." There are just two more nights in which to listen to the complete Westholme Orchestra.
