

SHARP ATTACK REPULSED

Dangerous Condition Relieved Just In Time By "Fruit-a-tives"

MR. F. J. CAVEEN

632 Gerrard St. East, Toronto.
For two years, I was a victim of *Acute Indigestion and Gas In The Stomach*. It afterwards attacked my heart, and I had pains all over the body, so I could hardly move around. I tried all kinds of medicines but none of them did me any good. At last, acting on the advice of a friend, I decided to try "Fruit-a-tives". I bought the first box last June, and now I am well, after using only three boxes. I recommend "Fruit-a-tives" to anyone suffering from indigestion, no matter how acute."

FRED J. CAVEEN.

Your King and Country Need You

RECRUITS WANTED FOR 62nd OVERSEAS BATTALION,
CANADIAN EXPEDITIONARY FORCE.

RECRUITING OFFICE AT PROVINCIAL GOVERNMENT
OFFICE NOW OPEN.

In view of the recruiting which is in progress at present throughout the Province, it is apropos to answer a few of the questions which are considered by those who contemplate entering the Service. The following is a list of pertinent queries, together with the information which each elicits.

QUESTIONS ANSWERED.

- 1.—How long am I to serve? Until the end of the war and six months after if required.
- 2.—What pay shall I receive? Your pay as a private will be \$1.00 per day and 10 cents field allowance. Besides this you will be clothed, equipped and subsisted by the Government.
- 3.—What will my wife receive during my absence? Every month there will be paid her a separation allowance of \$20 (also part of your pay) and if this be not enough to comfortably maintain your family, the Canadian Patriotic Fund will further assist them.
- 4.—What will happen if I am wounded or sick? You will be cared for by the Government and your pay continued until you are discharged. If you are permanently disabled an allowance will be paid you, varying according to the extent of your injury or disability.
- 5.—What will be done for my wife and children if I die while on Active Service? The Government will provide an adequate pension, that will enable the family to live comfortably until the children are old enough to look after themselves. The widowed mother of a single man, if the son be her sole support, is treated in the same way as a wife.

THE CZAR TAKES SUPREME COMMAND OF HIS FORCES.—Latest photo of the Russian monarch to reach America shows the Czar of all the Russians returning the salute, while his son stands at attention at his side during a recent review of one of his armies.

INTERNAL TROUBLES OF THE BORDEN GOVERNMENT

(Continued From Page Two.)

they make a Khaki idol of him, the man on horseback, the hero of the thronging streets, taking the salute wherever a bright eye sparkles—will they set him up as a little tin god, or will they give him the dump? That is the question.

Sam is not wholly loved by his party. What's more he is not taken at his face value and it is just a question whether the public mightn't see through him too. In fact there are so many risks in pulling off a Khaki election with Sam as the central figure that the party has about decided that it doesn't want an election at all. It is also worth remembering that Major General Sam was the chief appointer of that Shell Committee of which Commissioner Thomas so cordially disapproved and naturally that would not help him with the voters. On the whole if Premier Borden is weighed in the balance and found wanting, so is Sir Sam. It's horse and horse, so to speak.

Of course, after the war is over

the government will have to do a lot of taxing and taxing is not popular with the masses, and it may have to provide sustenance for a transcontinental railway or two which will mean hard scratching, but these matters are not as disquieting at present as the personal troubles of the various cabinet ministers. For example, what are they going to do with Bob? It has become plain to everybody that Bob Rogers can no longer carry Manitoba. For that matter he can't even carry his own constituency of Winnipeg.

What to do with the Machiavelli of the administration? His great strength has become weakness, but he knows too much to be dropped readily. The plan is to take the High Commissionership in London away from Sir George Perley, who has made a poor fist of it, and give it to Bob, who will naturally work it for all it is worth. This may satisfy Bob, but will it not put Sir George's nose out of joint?

All of which is to say that the government is in a state of perishing hesitancy and that a general election is the last thing it wants to put an end to it.—H. F. Gadsby.
