

VIOLENT ATTACKS OF DYSPEPSIA

Suffered Tortures Until She Tried "Fruit-a-tives"

ST. JEAN DE MATHA, Jan. 27th, 1914.
"After suffering for a long time with Dyspepsia, I have been made well by 'Fruit-a-tives.' I suffered so much that at last I would not dare to eat for I was afraid of dying. Five years ago, I received samples of 'Fruit-a-tives' and after taking them I felt relief. Then I sent for three boxes and I kept improving until I was well. I quickly regained my lost weight—and now I eat, sleep and digest well—in a word, I am fully recovered, thanks to 'Fruit-a-tives.'

province has received in the eyes of the investing public—some of which savings have no doubt found their way into his own pockets as chief legal adviser for the company in his capacity of senior partner in Bowser, Reid & Wallbridge, as the price for the advice and assistance which enabled it illegally and in defiance of the parliament of Canada to take deposits?

A Poor Advertisement.

"What sort of an advertisement is it for the province when it becomes necessary for the Chief Justice of British Columbia to say, in referring to the Attorney-General, that the fountain head of justice is tainted at its source? The record of his department since he took the portfolio has been one of unsuccessful litigation, of flouting the criminal law, of using the position for personal benefit through his Vancouver legal firm, and of building up a political machine which has no equal in Canada, and for which Tammany seems to have served as a model.

"And he is the same man who, as chief law officer of the crown, permitted the alienation of millions of acres of the best agricultural lands of the province by means of powers of attorney, a method since proclaimed by the supreme court of Canada and the supreme court of British Columbia as being an evasion of the Land Act and as being contrary to public policy and thus illegal. This was only following upon what he had himself blatantly proclaimed in his own defence on one occasion, that the speculator must have his chance. If the conditions in British Columbia are 'rotten,' who is more responsible than the Attorney-General?"

Baby's Own Soap

After the bath with BABY'S OWN SOAP the skin is smooth, comfortable, and exhales the aroma of freshly cut flowers.

Freedom from skin troubles, explains in some measure the refreshing sleep which "Baby's Own Soap" babies enjoy. Especially for nursery use insist on "Baby's Own".
