

KIDNEY DISEASE WAS KILLING HIM

Until He Used "Fruit-a-tives" The Great Kidney Remedy

HAGERSVILLE, ONT., Aug. 26th, 1913.
"About two years ago, I found my health in a very bad state. My kidneys were not doing their work and I was all run down in condition. Having seen 'Fruit-a-tives' advertised, I decided to try them. Their action was mild, and the result all that could be expected. My kidneys resumed their normal action after I had taken upwards of a dozen boxes and I regained my old-time vitality. Today, I am as well as ever."

NEW RECORDS MADE BY G.T.P. STEAMSHIPS

Winnipeg, Dec. 21.—According to information received at Grand Trunk Pacific headquarters today, the G. T. P. steamships operating in the North Pacific coast waters have covered over eighty thousand miles during the season of 1915. This is considered one of the most remarkable records in the coast-wise trade. Running between Prince Rupert and Seattle, the steamship Prince Rupert between June 8 and November 4 steamed 40,717 miles, almost twice the distance round the world. Her sister ship, the Prince George, covered 40,840 miles. The average distance run per day by these vessels was 395.86 miles and the average speed per hour, 16.49 knots. In order to keep their schedule, these steamships often steam over 18 knots, reeling off better than 400 miles in a day. The steamships were timed to arrive at Seattle at 6:30 a. m. and 4 p. m. respectively. The average arrivals were at 6:24 a. m. and 3:50 p. m. respectively—equal to any railway schedule. Travel between North Pacific coast points remains fairly good and service is to be maintained between the transcontinental trains of the company at Prince Rupert and the cities of Victoria, Vancouver and Seattle throughout the winter.

Prince Rupert drydock may be begun by building wooden ships, but it will go on to build the nucleus of a Canadian navy.

RECRUITS WANTED FOR 62nd OVERSEAS BATTALION, CANADIAN EXPEDITIONARY FORCE.

RECRUITING OFFICE AT PROVINCIAL GOVERNMENT OFFICE NOW OPEN.

In view of the recruiting which is in progress at present throughout the Province, it is apropos to answer a few of the questions which are considered by those who contemplate entering the Service. The following is a list of pertinent queries, together with the information which each elicits.

QUESTIONS ANSWERED.

1.—How long am I to serve? Until the end of the war and six months after if required.

2.—What pay shall I receive? Your pay as a private will be \$1.00 per day and 10 cents field allowance. Besides this you will be clothed, equipped and subsisted by the Government.

3.—What will my wife receive during my absence? Every month there will be paid her a separation allowance of \$20 (also part of your pay) and if this be not enough to comfortably maintain your family, the Canadian Patriotic Fund will further assist them.

4.—What will happen if I am wounded or sick? You will be cared for by the Government and your pay continued until you are discharged. If you are permanently disabled an allowance will be paid you, varying according to the extent of your injury or disability.

5.—What will be done for my wife and children if I die while on Active Service? The Government will provide an adequate pension, that will enable the family to live comfortably until the children are old enough to look after themselves.
