### FAMOUS GLABE TROTTER ARRIVED THIS MORNING

(Continued from Page One.)  
his short stay in this city, he should draw a large audience. Some idea of his wanderings may be gathered from the fact that in the last 26 years, he has spent only one year and eight months in civilization. He is more at home around a camp fire making tea in a "billy" than he is at a well-furnished table. He expects to leave for Halifax, en route for England, at the beginning of the week.

It's a problem, but our stock will solve it—Wallace's.
