CHRISTMAS SUNDAY

Sunday is Christmas Sunday and the last Sunday of the year. Let us all go to church. We are fighting German militarism. According to most authorities, the rise of German military power corresponds to a decline in church attendance. May we in Canada avoid that mistake. The churches have all been decorated by loyal, faithful hands, the choirs have been practicing their Christmas anthems and the children their Christmas carols. The ministers, good men, and they must be good, for nothing but sheer goodness would hold them in the ministry, have been "burning the midnight oil" to give us an uplift this Christmas. Let us all go to church and join with the choir invisible and visible in singing "Glory to God in the Highest and on Earth Peace, Goodwill Toward Men." Let us surrender ourselves as a gift to God for this day at least, and we shall have the David experience. "I was glad when they said unto me, let us go up into the house of the Lord."
