LOCAL FISHING BOAT WRECKED AT SKIDEGATE

The fishing boat Alliance No. 1, Capt. Rodell, plying out of here, has met with an accident, and, it is feared, will be a total loss. Word was received by the local owners, C. Nunan and G. W. Nickerson, by telegraph from the Queen Charlotte Islands, where the accident occurred. No details as to how the accident happened are given, but Capt. Rodell believes the boat will be a total loss, although the fish on board, 5,000 pounds of halibut, are being saved.

The Union Steamship Company's steamer Venture is going to the Islands and the fish are being boxed preparatory to being shipped back here in the vessel.

The accident occurred in Skidegate Inlet. It is presumed that it may have been under stress of weather that it was driven in and went ashore. The boat was insured at \$1,500.

MAIL YOUR BROKEN WATCH TO US

if you live out of town.

Just box it up with plenty of soft packing. We pay the postage one way, and we will write you by return mail telling you exactly what is wrong. Our charges are moderate, being based on the actual work done, and we guarantee our work to be satisfactory. We can repair any watch—English lever or complicated repeater—and while we keep the parts for most watches, we are able to make any worn or broken piece necessary.

We would like a trial. We are reliable. Ref. Royal Bank of Canada.

Martyred Belgium Cries for FOOD!

You have Plenty — Share it!

We cannot—we MUST NOT let the destitute Belgians starve! No victory could be lastingly glorious if it involved the decimation by famine of a small nation that deliberately sacrificed itself rather than sacrifice honor!

Earl Curzon of Kedleston, says:

"We have to relieve from privation, and from worse, these unhappy people during the forthcoming winter, the second winter which they have passed under these cruel conditions; we have to keep alive their vital resources, to support their courage, and enable them to continue to endure."

THE

Belgian Relief Fund

has been and is administered with an Efficiency and Economy never before equalled in Public Relief Work.

All accounts are audited, and every pound of food and supplies is accounted for. The arrangements are absolutely effective for securing that none of the food or money goes into the hands of the Germans, is requisitioned by military authorities, or in any way diverted from the object for which it is given.

Nearly 3,000,000 Belgians must depend this winter on charity! Without help hun-

dreds of thousands will starve! We in Canada have plenty! In the name of humanity and of the cause for which we are fighting, let us do our part toward saving these heroic allies!

Send your subscriptions weekly or in one lump sum to Local or Provincial Committees, or to the
