LOCAL MINING MAN PROSPECTING IN ALASKA

The Daily News has received a letter from Lewis Duncan, the well known interior mining man, who is now prospecting in Alaska, with his headquarters at Anchorage. Mr. Duncan says that they are pretty well shut in this winter, on account of ice in the harbor, but that Delegate Wickersham has applied for and expects to get an appropriation of \$250,000 for harbor improvements which will help matters considerably.

Mail is taken in once a week by dog team and goes out twice weekly. There is no shortage of provisions and prices are reasonable. There is, however, a decided shortage of hay and oats, and some of the teams will have to be taken to Seward for feed. They have snow to the depth of three and a half feet, and the lowest the thermometer has reached is 20 below.

Coughing scatters germs

—Stop it

Coughing increases the irritation of the already inflamed mucous membranes and is moreover apt to carry disease to others.

Mathieu's Syrup of Tar and Cod Liver Oil promptly stops coughing, and soon, thanks to its tonic properties, effects a permanent cure.

The wonderful popularity of Mathieu's Syrup of Tar and Cod Liver Oil is especially due to its great value as a permanent lung and bronchial healer.

Sold everywhere, 35c large bottles.

M.P. McCaffery Realizes Task Ahead

To the Editor of The Daily News,

Dear Sir:—In a published letter from Mayor Newton to the Electors of the City of Prince Rupert, I note the following: "The big problem which will confront the next council will be the refloatation of the Treasury Certificate issue."

With reference to this statement, I wish to state that if elected, I will spare no efforts to provide for a favorable disposition of these certificates, and the ratepayers of the City of Prince Rupert can rest assured that I will be absolutely certain as to whether the money is costing them six, eight, or ten per cent.

Very truly yours,
M. P. McCAFFERY.
