M. P. McCaffery's Friends THOROUGHLY SATISFIED

A meeting was held last even-
ing in the committee rooms of
M. P. McCaffery for the purpose
of completing the organization for
the municipal campaign. George
W. Nickerson presided over a
gathering of about 100 voters, and
the final arrangements were
carried out.

During the evening, short
speeches were made by the com-
ing mayor and several of the al-
dermanic candidates and others.
The utmost enthusiasm prevailed,
everyone being thoroughly satis-
fied with the way things have
gone, with workers and speakers
alike optimistic as to the result.

Mr. McCaffery, in his speech,
showed that he fully realized the
gravity of the city's financial sit-
uation, and that he is thoroughly
prepared to grapple with it. He
showed where the present ad-
ministration, by its lack of know-
ledge and foresight, had landed
the city in a tight corner, from
which he hoped to be able to ex-
tricate it.

The reports from the various
committees showed a most de-
cided majority in favor of Mr.
McCaffery.

The meeting closed with the
singing of "God Save the King,"
and three rousing cheers and a
tiger for the new mayor.

Another meeting will be held in
the committee rooms tonight.

PRINCE RUPERT SEES FIRST CURLING GAME

History was made in Prince
Rupert yesterday when the first
curling game ever played in the
city was brought off on the Grand
Trunk Pacific Hotel site. When
the curlers who took part in yester-
day's game are grandfathers,
and the city of Prince Rupert has
a population of 50,000 people,
they will tell wondering young-
sters of the time when they "threw
the stanes" right where that
magnificent hotel is standing.

COLORED MASTERPIECE AT MAJESTIC THEATRE

There is a spectacular treat in
store for Majestic patrons tonight
when the management presents
another of those Pathe colored
masterpieces. All who saw the
former colored production will be
certain to see this one, and those
who missed the other should make
it a point to view "Traitors to
Their King" tonight. The color-
ing adds a realism to the play
which is wonderful, so naturally
is the film tinted. This piece is
in four acts and should draw a
big crowd.

There is also a Pathe News,
showing the latest events through-
out the world and "Monkey
Shines," a most laughable comedy
making six good reels.

RED CROSS SALE

Mrs. J. W. Potter and Mrs. F.
G. Dawson will have charge of the
weekly Red Cross sale of home
cooking on Friday. Messrs. Killas
Bros.' new fruit and confectionery
store, next to George Tite's on
Third Avenue, has been placed at
the disposal of the ladies. Last
week's receipts show that interest
is still manifested in this noble
work and all ladies are again re-
quested to kindly send in home
cooking.

2,000,000
Belgians
Depend on us
for Bread!

Since shortly after the German invasion, the Belgians
have depended for food entirely on the "Commission
for Relief in Belgium". Their own store of food,
even if not destroyed or pillaged, would last only
three weeks—they have had no chance to raise more—
and the ruthless Germans refuse to supply them!

Backed by the

Belgian Relief Fund

so generously contributed in the British Empire and the United
States, the neutral Belgian Relief Commission has imported
enough wheat, flour and other foods to feed the whole nation
so far. The great majority of the 7,000,000 Belgians left in
the country have been able to pay for their daily allowance of
bread—but a steadily growing number have no money left.

Unless we are willing to let these hundreds of thousands of
women, children and old men starve, they must be fed at the
expense of the Belgian Relief Fund. To make this possible
someone must contribute nearly \$3,000,000 a month—every
month—all this winter!

No people under the Allied Flags are as well able to contribute
generously as we Canadians! No cause has ever been more
deserving of help! In the name of Justice and Humanity—for
the sake of our own self-respect—let us give all we can to
help our martyred Allies!

Send your subscriptions weekly, monthly or in one lump sum to Local or
Provincial Committees, or to the

BELGIAN FUND

An account has been
opened at the Canadian
Bank of Commerce in the
name of the Belgian Re-
lief Committee and sub-
scriptions for the relief of
these worthy people are
now in order. There will
be no canvass made, and
citizens are requested to
simply walk into the bank
and deposit what they can
afford. The object needs
no commendation here, as
all are aware of the part
played by gallant little
Belgium in holding up the
Germans in their first
great raid on France. The
fund is economically man-
aged and citizens may rest
assured that every dollar
will do a hundred cents'
worth of work in aiding
those patriots. The ac-
count will be open until
January 31st.

GEORGE HECTOR MUNRO X

CHARLIE CHAPLIN AT
WESTHOLME TONIGHT

The star item in a good West-
holme program tonight is "The
Fighting Hope," featuring Laura
Hope Crews, as the wife of a bank
treasurer who is unfaithful to the
bank and also to his wife. Center-
ing her affections upon her two
little boys, she does not realize
the kind of man her husband is
until he is sent to prison for
forgery. It is rather a pathetic
story and is productive of some
splendid acting on the part of this
great movie star.

To offset the serious side of
life, there is another riot of fun
by Charlie Chaplin in "His Musi-
cal Career." Nothing more nec-
essary said of that item. There is also
a very fine Gaumont Gazette.
