## LAURA HOPE CREWS AT THE WESTHOLME THEATRE

"The Fighting Hope," the famous Belasco drama produced by Jesse Lasky, now showing at the Westholme, is a remarkably fine production. Laura Hope Crews, as the wife of a crook, in whose innocence she is a firm believer, plays with great power throughout. It is an intensely dramatic story, full of the human element. Laura Hope Crews has not appeared before in Prince Rupert but in the future she must rank as a great favorite.

Besides this great drama there is a Chaplin comedy, in which the great comedian does some piano-moving stunts which are side-splitting. In conclusion there is the famous Gaumont Graphic with some very fine military views.

# 2,000,000 Belgians Depend on us for Bread!

Since shortly after the German invasion, the Belgians have depended for food entirely on the "Commission for Relief in Belgium". Their own store of food, even if not destroyed or pillaged, would last only three weeks—they have had no chance to raise more—and the ruthless Germans refuse to supply them!

Backed by the

## Belgian Relief Fund

so generously contributed in the British Empire and the United States, the neutral Belgian Relief Commission has imported enough wheat, flour and other foods to feed the whole nation so far. The great majority of the 7,000,000 Belgians left in the country have been able to pay for their daily allowance of bread—but a steady growing number have no money left.

Unless we are willing to let these hundreds of thousands of women, children and old men starve, they must be fed at the expense of the Belgian Relief Fund. To make this possible someone must contribute nearly \$3,000,000 a month—every month—all this winter!

No people under the Allied Flags are as well able to contribute generously as we Canadians! No cause has ever been more deserving of help! In the name of Justice and Humanity—for the sake of our own self-respect—let us give all we can to help our martyred Allies!
