

LUX

BLANKETS are luxuriously clean, soft and fleecy when washed with LUX. Every housewife knows that blankets are very liable to shrink in the wash and become hard and thick. LUX is the ideal preparation for washing blankets, all woollen things, fine laces, etc., because it cannot shrink them.

LUX is the economical cleanser—it dissolves readily in hot water—makes a foamy, cream-like lather which coaxes rather than forces the dirt out of clothes.

BELGIAN FUND

An account has been opened at the Canadian Bank of Commerce in the name of the Belgian Relief Committee and subscriptions for the relief of these worthy people are now in order. There will be no canvass made, and citizens are requested to simply walk into the bank and deposit what they can afford. The object needs no commendation here, as all are aware of the part played by gallant little Belgium in holding up the Germans in their first great raid on France. The fund is economically managed and citizens may rest assured that every dollar will do a hundred cents' worth of work in aiding those patriots. The account will be open until January 31st.

Local News Notes

Mayor McCaffery and the new board of aldermen were sworn in at the city hall this afternoon.

Geo. H. Munro desires to sincerely thank all those who supported him in yesterday's election.

Don't miss the hockey game between the Amateur Athletic boys and the team from Hazelton at Market Place tonight at 8 o'clock.

The News was only four out in McCaffery's majority, when it said that Sam's thermometer would register 100 below.

Mrs. Kirkpatrick and Miss Davies are to be congratulated on the vote they polled in the election of School Trustees. They will undoubtedly prove efficient members of the board.

TO THE ELECTORS

Ladies and Gentlemen,
I thank you for the honor you have conferred upon me in electing me to the city council for 1916, and again assure you that I will do my utmost to show that your confidence has not been misplaced.
Yours faithfully,
W. G. BARRIE.

"THE STORE THAT IS DIFFERENT"

2,000,000 Belgians Depend on us for Bread!

Since shortly after the German invasion, the Belgians have depended for food entirely on the "Commission for Relief in Belgium". Their own store of food, even if not destroyed or pillaged, would last only three weeks—they have had no chance to raise more—and the ruthless Germans refuse to supply them!

Backed by the Belgian Relief Fund

so generously contributed in the British Empire and the United States, the neutral Belgian Relief Commission has imported enough wheat, flour and other foods to feed the whole nation so far. The great majority of the 7,000,000 Belgians left in the country have been able to pay for their daily allowance of bread—but a steadily growing number have no money left.

Unless we are willing to let these hundreds of thousands of women, children and old men starve, they must be fed at the expense of the Belgian Relief Fund. To make this possible someone must contribute nearly \$3,000,000 a month—every month—all this winter!

No people under the Allied Flags are as well able to contribute generously as we Canadians! No cause has ever been more deserving of help! In the name of Justice and Humanity—for the sake of our own self-respect—let us give all we can to help our martyred Allies!

Send your subscriptions weekly, monthly or in one lump sum to Local or Provincial Committees, or to the
