

Purity! Purity! Purity!

The one dominating note that runs all through the making of Sunlight Soap is Purity. The \$5,000 Guarantee you get with every single bar is not a mere advertisement. It marks a standard set for the buyers who select the choice Sunlight Soap materials—for the soap boiler—for the expert chemists—for the girls, even, who wrap and pack Sunlight.

All are mindful of the Guarantee—it is a source of gratification to all the Sunlight workers.

BELGIAN FUND

An account has been opened at the Canadian Bank of Commerce in the name of the Belgian Relief Committee and subscriptions for the relief of these worthy people are now in order. There will be no canvass made, and citizens are requested to simply walk into the bank and deposit what they can afford. The object needs no commendation here, as all are aware of the part played by gallant little Belgium in holding up the Germans in their first great raid on France. The fund is economically managed and citizens may rest assured that every dollar will do a hundred cents' worth of work in aiding those patriots. The account will be open until January 31st.

George A. McNicholl left for the interior today to meet W. P. Hinton, passenger traffic manager of the G. T. P. They expect to arrive here on Thursday evening.

2,000,000
Belgians
Depend on us
for Bread!

Since shortly after the German invasion, the Belgians have depended for food entirely on the "Commission for Relief in Belgium". Their own store of food, even if not destroyed or pillaged, would last only three weeks—they have had no chance to raise more—and the ruthless Germans refuse to supply them!

Backed by the

Belgian Relief Fund

so generously contributed in the British Empire and the United States, the neutral Belgian Relief Commission has imported enough wheat, flour and other foods to feed the whole nation so far. The great majority of the 7,000,000 Belgians left in the country have been able to pay for their daily allowance of bread—but a steadily growing number have no money left.

Unless we are willing to let these hundreds of thousands of women, children and old men starve, they must be fed at the expense of the Belgian Relief Fund. To make this possible someone must contribute nearly \$3,000,000 a month—every month—all this winter!

No people under the Allied Flags are as well able to contribute generously as we Canadians! No cause has ever been more deserving of help! In the name of Justice and Humanity—for the sake of our own self-respect—let us give all we can to help our martyred Allies!

- FACT HUNGER -

As children, our first demand is for nourishment; our second for facts.

All through life we go about searching for information.

We make a new acquaintance; but before we will accept him as a friend or invite him to our home we ask for facts about him.

We visit a foreign land; and from the moment we step across its border we are asking questions—searching for facts.

We are asked to try a new food product; isn't it instinctive with us to ask at once:

"Who makes this new article?"

"How is it made? what goes into it?"

"Is it worth the price charged for it?"

Facts—we are simply hungry for them.

Strange, isn't it, that we should so often have to search for them? Odd, that some manufacturers still withhold the facts about their product. Not always because they are facts to be ashamed of—for there are many worthy articles yet unadvertised.

But it will not be so much longer. The fact-hunger of the human race is becoming keener and keener. The more facts we get, the keener our relish for more of them.

Soon it will be impossible to sell a man or a woman anything until everything has been told about the goods that can be told through Advertising.

The public has discovered that Advertising tells much-needed facts—that, in fact, Advertising satisfies fact-hunger.

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper.
If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lumsden Building, Toronto.
