

HE STRUCK IT RIGHT AT LAST

After Suffering Almost Two Years, "Fruit-a-tives" Brought Relief.

MR. WHITMAN
1674 Esplanade Avenue, Montreal.
"In 1912, I was taken suddenly ill with Acute Stomach Trouble and dropped in the street. I was treated by several physicians for nearly two years. I was in constant misery from my stomach and my weight dropped down from 225 pounds to 160 pounds. Several of my friends advised me to try 'Fruit-a-tives' and I did so. That was eight months ago. I began to improve almost with the first dose. No other medicine I ever used acted so pleasantly and quickly as 'Fruit-a-tives', and by using it I recovered from the distressing Stomach Trouble, and all pain and Constipation and misery were cured. I completely recovered by the use of 'Fruit-a-tives' and now I weigh 208 pounds. I cannot praise 'Fruit-a-tives' enough".

MANY SLACKERS IN THE GOVERNMENT SERVICE

next draft over himself, an honor, which he received with mixed feelings. Many prefer over-safe service in Canada to overseas service in Flanders.
After all the colonels have been drummed up, including the political colonels who lead their regiments as far as Shorncliffe Camp and trust the votes to God from there on—after all the colonels have been corraled, the next prominent body of citizens sounded up will be the Urgers. Urging has become quite a profession in Canada these days. It is even more popular than fighting. On a reasonable estimate fully one quarter of the population is engaged in urging the other three quarters to go to the front and do its duty by king and country who "need you now." The farther an urger is on the short side of 45, the harder he urges the other fellow to go. Many fine healthy urgers, sound as a dollar, teeth good, eyesight perfect, no home ties in particular, are doing tremendous work along this line. They are well between 18 and 45, but they have given up all chance of distinction at the front for this exhausting but necessary duty at home. In fact, we have some of the greatest little urgers in the business, thousands of 'em. The Militia Department can acquire merit by passing them along to where the urging is brisker and more perilous. No doubt they will make wonderful fighters. Because it is inconceivable that persons who are so keen on sending other people to the front should not behave gloriously when they get there themselves.—H. F. Gadsby.

Baby's Own Soap

After the bath with **BABY'S OWN SOAP** the skin is smooth, comfortable, and exhales the aroma of freshly cut flowers. Freed from skin troubles, explains in some measure the refreshing sleep which "Baby's Own Soap" babies enjoy. Especially for nursery use insist on "Baby's Own".
