NOTICE

Rivermouth Fractional mineral claim, situated in the Skeena Mining Division of Cassiar District.

Where located:—At the head of Alice Arm, adjoining the Rivermouth and Cariboo mineral claims.

TAKE NOTICE that I, G. B. Naden, Free Miners' Certificate No. 94,096B, acting as agent for Carrie Pratt, Free Miners' Certificate No. 93,917B, intend, sixty days from the date hereof, to apply to the Mining Recorder for a Certificate of Improvements, for the purpose of obtaining a Crown Grant of the above claim.

And further take notice that action, under section 85, must be commenced before the issue of such Certificate of Improvements.

Dated this 23rd day of December, A. D. 1915.

NOTICE

A misunderstanding seems to prevail here in Prince Rupert regarding the thawing out of water pipes by electricity. I wish to correct this by saying and guaranteeing that there is no over heating of pipes. The pipes do not get hot enough to even light a match during the process, and as regards the melting of lead out of waste pipes, I absolutely guarantee not to injure any pipes whatsoever. CANADIAN PRISONERS HELD BY THE GERMANS

(Continued from Page two.)

ly and liberally, the weekly sales of the Red Cross being wonderful. I do wish that some money were going every week to the prisoners. You know they are now living entirely on their parcels, the food is so poor and scarce, yet their captors and jailors have no better. Bread is the chief privation to the poor fellows; the war bread of the Germans is uneatable and full of worms.

Mrs. Grant Duff, of the British Legation at Berne, was in November sending 2,500 loaves of bread a day to the prisoners of war. Coming from Berne it reached them fit to eat, but you cannot send bread from England because a parcel takes three weeks and it gets mouldy and spoilt. Four shillings would keep one prisoner supplied with bread for four weeks. If there are any people in Prince Rupert, who know the names of any of the prisoners, they might like to send tobacco, cigarettes, shirts, socks or anything for our poor fellows."
