

TORTURED BY RHEUMATISM

Sunday School Supt. Tells How "Fruit-a-tives" Relieved

TORONTO, Ont., Oct. 1st, 1913.
 "I have lived in this city for more than 12 years and am well known. I suffered from Rheumatism, especially in my hands. I spent a lot of money without any good results. I have taken "Fruit-a-tives" for 18 months now and am pleased to tell you that I am well. All the enlargement has not left my hands, and perhaps never will, but the soreness is all gone and I can do any kind of work. I have gained 35 pounds in eighteen months."

SEAL COVE SCHOOL

Ald. Casey, seconded by Ald. Barrie, moved a resolution at the city council last night asking the school board to provide an extra exit in the Seal Cove school. The resolution described the building as a fire-trap, the only exit being right over the furnace, the most likely place for a fire.

The mayor said that the resolution was not in order, as the school trustees were elected by the people and were responsible only to the people. He suggested that the resolution take the form of a recommendation.

Ald. Nelson said that the building was not nearly so dangerous as Ald. Casey stated, there being a second exit.

Ald. Casey insisted that a more complete fire-trap could not have been devised.

The resolution was altered to a recommendation and carried unanimously.
