"THE AVENGING SHOT" AT THE MAJESTIC THEATRE

There is a nicely varied program at the Majestic tonight, the chief item of which is a thrilling two-act drama, "The Avenging Shot." It is the story of a father who has waited for twenty years to get a villain. "Was It Her Duty?" is a most interesting industrial reel. The lighter side of the show is good, there being a very funny reel of Lubin cartoons, a farce entitled "The Clam-shell Suffragettes" and a comedy drama, "Money-Money-Money." There is a very special three-reel attraction for Wednesday and Thursday in "Sons of France." This is the finest series of war pictures which has ever been produced.

S. O. E. DANCE WAS HIGHLY SUCCESSFUL

The Sons of England whist drive and dance on Friday evening was an unqualified success, about eighty being present, all having a good time. Mrs. Atkins carried off the first prize in the whist, the gentleman's prize going to Mr. "Babe" Fortin. Mr. Stephen King, president of the society, presided and, by his good management, added not a little to the success of the evening.

The music for the dancing was provided by Messrs. Harvey and Balagno, whose efforts were greatly appreciated. The refreshments were dainty and the function was thoroughly enjoyed. Mr. Arthur Silversides acted as M. C.

THE HOUSE OF CARDS' AT THE WESTHOLME THEATRE

This is "Diamond" night at the Westholme, this week's installment being entitled "The House of Cards." This great serial is reaching the climax and is more interesting now than ever it has been.

Besides the serial there are two big dramas, "The Three Brothers," a three-act play, is a splendid love story and "On the Ledge" is a most dramatic feature in two acts. There is also a Gaumont Gazette, giving views of the Russian army; pictures of Miss Asquith's wedding; cavalry maneuvers and scenes from Lorraine.

On Wednesday, Donald Bair will be here in the great five-act drama "The Voice in the Fog."

- FACT HUNGER -

As children, our first demand is for nourishment; our second for facts.

All through life we go about searching for information.

We make a new acquaintance; but before we will accept him as a friend or invite him to our home we ask for facts about him.

We visit a foreign land; and from the moment we step across its border we are asking questions—searching for facts.

We are asked to try a new food product; isn't it instinctive with us to ask at once:

"Who makes this new article?"

"How is it made? what goes into it?"

"Is it worth the price charged for it?"

Facts—we are simply hungry for them.

Strange, isn't it, that we should so often have to search for them? Odd, that some manufacturers still withhold the facts about their product. Not always because they are facts to be ashamed of—for there are many worthy articles yet unadvertised.

But it will not be so much longer. The fact-hunger of the human race is becoming keener and keener. The more facts we get, the keener our relish for more of them.

Soon it will be impossible to sell a man or a woman anything until everything has been told about the goods that can be told through Advertising.

The public has discovered that Advertising tells much-needed facts—that, in fact, Advertising satisfies fact-hunger.

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper.

If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lumsden Building, Toronto.
