THE TORY machine IS NOTHING if not INGENIOUS in its METHODS of gaining SUPPORT FOR itself.

W. E. KNOWLES, Liberal MEMBER for MOOSEJAW, is quite EMBARRASSED because of THE WAY in which OTTAWA is showering FAVORS upon his CONSTITUENCY. WHILE Tory MEMBERS elsewhere ARE CLAMORING for SUCH THINGS as ILLUSTRATION plots to FOSTER agriculture, MR. KNOWLES tells HOW MOOSE JAW is PROVIDED with no

FEWER than NINE of them. THESE PLOTS are OSTENSIBLY provided FOR THE growing of GRAIN samples but THE TORY organiser IN MOOSE JAW looks UPON THEM as vote PRODUCERS and he FONDLY hopes that HE WILL not BE disappointed when THE NEXT election COMES along. MOOSE JAW is being WOODED carefully BUT the TORY PLOTS may PRODUCE rather POOR political CROPS.

- FACT HUNGER -

As children, our first demand is for nourishment; our second for facts.

All through life we go about searching for information.

We make a new acquaintance; but before we will accept him as a friend or invite him to our home we ask for facts about him.

We visit a foreign land; and from the moment we step across its border we are asking questions—searching for facts.

We are asked to try a new food product; isn't it instinctive with us to ask at once:

"Who makes this new article?"

"How is it made? what goes into it?"

"Is it worth the price charged for it?"

Facts—we are simply hungry for them.

Strange, isn't it, that we should so often have to search for them? Odd, that some manufacturers still withhold the facts about their product. Not always because they are facts to be ashamed of—for there are many worthy articles yet unadvertised.

But it will not be so much longer. The fact-hunger of the human race is becoming keener and keener. The more facts we get, the keener our relish for more of them.

Soon it will be impossible to sell a man or a woman anything until everything has been told about the goods that can be told through Advertising.

The public has discovered that Advertising tells much-needed facts—that, in fact, Advertising satisfies fact-hunger.

If you are doing a local business talk over your advertising problems with the Advertising Department of this newspaper. If you are doing a provincial or national business it would be well for you to have the counsel and assistance of a good advertising agency. A list of these will be furnished, without cost or obligation, by the Secretary of Canadian Press Association, Room 503, Lumsden Building, Toronto.
