Coughing scatters germs

—Stop it

Coughing increases the
irritation of the already in-
flamed mucous membranes
and is moreover apt to carry
disease to others.

Mathieu's Syrup of Tar and
Cod Liver Oil promptly stops
coughing, and soon, thanks
to its tonic properties, effects
a permanent cure.

The wonderful popularity
of Mathieu's Syrup of Tar
and Cod Liver Oil is specially
due to its great value as a
permanent lung and bron-
chial healer.

Sold everywhere, 35c large
bottles.

J. L. MATHIEU CO., Prop.,
Sherbrooke, P.Q.

For headaches use Mathieu's Nervine
Powders—these are useful also to chase the
fever and pain which often accompany
colds, and a host of other ailments.

- FACT HUNGER -

As children, our first de-
mand is for nourishment; our
second for facts.

All through life we go about
searching for information.

We make a new acquaintance;
but before we will accept him
as a friend or invite him to our
home we ask for facts about him.

We visit a foreign land; and from
the moment we step across its
border we are asking questions—
searching for facts.

We are asked to try a new food product; isn't it instinctive
with us to ask at once:

"Who makes this new article?"

"How is it made? what goes into it?"

"Is it worth the price charged for it?"

Facts—we are simply hungry for them.

Strange, isn't it, that we should so often have to search for
them? Odd, that some manufacturers still withhold the facts
about their product. Not always because they are facts to be
ashamed of—for there are many worthy articles yet unadvertised.

But it will not be so much longer. The fact-hunger of the
human race is becoming keener and keener. The more facts
we get, the keener our relish for more of them.

Soon it will be impossible to sell a man or a woman anything
until everything has been told about the goods that can be told
through Advertising.

The public has discovered that Advertising tells much-needed facts—
that, in fact, Advertising satisfies fact-hunger.

If you are doing a local business talk over your advertising problems with the
Advertising Department of this newspaper.

If you are doing a provincial or national business it would be well for you
to have the counsel and assistance of a good advertising agency. A list of these will be
furnished, without cost or obligation, by the Secretary of Canadian Press Association.
