Restored To Health By "Fruit-a-tives"  
The Famous Fruit Medicine

MDE. ROCHON

Rochon, P.Q. March 2nd, 1915.  
"I have received the most wonderful benefit from taking 'Fruit-a-tives'. I suffered for years from Rheumatism and change of life, and I took every remedy obtainable, without any good results. I heard of 'Fruit-a-tives' and gave it a trial and it was the only medicine that really did me good. Now I am entirely well; the Rheumatism has disappeared and the terrible pains in my body are all gone. I am exceedingly grateful to 'Fruit-a-tives' for such relief, and I hope that others who suffer from such distressing diseases will try 'Fruit-a-tives' and get well."

MADAME ISABEL ROCHON.

The marvellous work that 'Fruit-a-tives' is doing, in overcoming disease and healing the sick, is winning the admiration of thousands and thousands. 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

## STRATEGIC RETREAT BY MAJOR-GENERAL SIR SAM

(Continued from Page two.)

the government squirm. This pleasure was his later on when Arthur Meighen did the squirming with his well known skill and a long black coat. Dr. Pugsley's charges give the public in round numbers \$122,000,000 to chew on—\$80,000,000 over-paid by the Shell Committee to itself and friends, and a \$22,000,000 contract handed out to the American Ammunition Company, one of Colonel J. Wesley Allison's pets, for time fuses which have not yet been delivered. The consequence of this delay in battles lost and soldiers slain, is too horrible to contemplate.

Dr. Pugsley did another good piece of work in riveting the evidence which links Sir Sam up with the Shell Committee, and makes the Canadian government a partner of the British government in the purchase of supplies for the joint use of Canadian and British troops at the front. He made a neat lawyer-like job of it. When the case goes to the jury—which will not be until after the war, if then, such being Premier Borden's last word—Parliament will find in this speech of Dr. Pugsley's all the facts needed to nail the Borden government down.

Not the least part of the evidence is Sir Sam's own words in which he declared himself the father of the Shell Committee, and his intention of sticking to it as long as it "has a button on its jacket." This you will see, as Dr. Pugsley pointed out, that the Shell Committee was Sam's baby. His war baby, by the same token. The poor little thing, having overfed itself to the extent of \$80,000,000, died in convulsions, while two Lloyd-George doctors from England helped it along.—H. F. Gadsby.
